[WC Docket No. 17–310; DA 19–1253; FRS 16373]

Wireline Competition Bureau Provides Guidance on the Implementation Schedule for Reforms Adopted by the Rural Health Care Program Promoting Telehealth Report and Order

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: In this document, the Federal Communications Commission (the Commission or FCC) announces the intended schedule for the newly adopted reforms in the Rural Health Care Promoting Telehealth Report and Order.

FOR FURTHER INFORMATION CONTACT:

William Layton, Telecommunications Access Policy Division, Wireline Competition Bureau, at (202) 418–0868 or via email at William.Layton@fcc.gov.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's Public Notice in WC Docket No. 17–310; DA 19–1253, released December 10, 2019. The full text of this document is available for public inspection during regular business hours in the FCC Reference Center, Room CY–A257, 445 12th Street SW, Washington, DC 20554 or at the following internet address: <https://docs.fcc.gov/public/attachments/DA-19-1253A1.pdf>.

On August 20, 2019, the Commission released a Report and Order reforming the rules for the Rural Health Care (RHC) Program to promote transparency and predictability, and further the efficient allocation of limited program resources. The Commission stated the adopted reforms would generally become effective, unless otherwise indicated, 30 days after publication of both the Rural Health Care Promoting Telehealth Report and Order (*Order*), FCC 19–78 and the **Federal Register** final rule summary (84 FR 54952, October 11, 2019; effective November 12, 2019). The Commission separately indicated when particular reforms would apply in funding year 2020 versus funding year 2021, and provided an implementation schedule summary “to ease the burden on program applicants.” The Commission noted, however, that, to the extent reforms require review pursuant to the Paperwork Reduction Act (PRA) of 1995, such reforms would take effect immediately upon announcement in the **Federal Register** of Office of Management and Budget (OMB) approval.

To provide further guidance to RHC Program participants, the following is the intended implementation schedule for the newly adopted reforms:

Funding Year 2020 Competitive Bidding (January 1, 2020)

- Similar services evaluated based on advertised speeds 30% above or below the speed of the requested service, *Order* at paras. 15–16; and
