

Act as specified in Section 101(a)(10)(D). Section 13 of the Rehabilitation Act requires the Commissioner of RSA to collect and report information to the Congress and the President through an Annual Report.

The substantive revisions to the RSA–2 form were necessary to: Add data elements in order to implement amendments to the Rehabilitation Act of 1973 (Rehabilitation Act) made by title IV of the Workforce Innovation and Opportunity Act (WIOA) (e.g., those related to services to groups and pre-employment transition services); add data elements necessitated by the VR program's role as a core program in the one stop service delivery system and the jointly administered requirements of title I of WIOA (e.g., those related to one-stop center infrastructure costs and reporting periods); incorporate VR program-specific financial data elements, previously reported on the SF–425, necessary to ensure VR agencies comply with program requirements (e.g., match and maintenance of effort); and remove data elements that are duplicative of data collected in the RSA–911 Case Service Report. As a result of the revisions to this form, VR agencies will no longer be required to submit SF–425 reports for the VR program beginning with the FFY 2020 grant awards. Difference noted above does not include the reduced burden resulting from VR agencies no longer having to submit these forms.
