

Court’s July 31, 2020, judgment constitutes a final decision of that court that is not in harmony with Commerce’s *Final Results*. Thus, this notice is published in fulfillment of the publication requirements of *Timken* and section 516A of the Act. Accordingly, Commerce will continue the suspension of liquidation of ribbons subject to this review pending expiration of the period of appeal or, if appealed, pending a final and conclusive court decision.

Amended Final Results

Because there is now a final court decision, Commerce is amending its *Final Results* with respect to the subsidy rate calculated for Yama. Based on the Remand Results, as affirmed by the Court, the revised subsidy rate for Yama for the POR is 12.83 percent.¹⁰

In the event that the Court’s ruling is not appealed, or, if appealed, is upheld by a final and conclusive court decision, Commerce will instruct U.S. Customs and Border Protection to assess countervailing duties on unliquidated entries of subject merchandise based on the revised subsidy rates summarized above.
