## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-173, OMB Control No. 3235-0178]

### Submission for OMB Review; Comment Request

*Upon Written Request Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-02736

*Extension:*  
Rule 31a-1

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 31a-1 (17 CFR 270.31a-1) under the Investment Company Act of 1940 (the "Act") (15 U.S.C. 80a) is entitled "Records to be maintained by registered investment companies, certain majority-owned subsidiaries thereof, and other persons having transactions with registered investment companies." Rule 31a-1 requires registered investment companies ("funds"), and every underwriter, broker, dealer, or investment adviser that is a majority-owned subsidiary of a fund, to maintain and keep current accounts, books, and other documents which constitute the record forming the basis for financial statements required to be filed pursuant to section 31 of the Act (15 U.S.C. 80a-30) and of the auditor's certificates relating thereto. The rule lists specific records to be maintained by funds. The rule also requires certain underwriters, brokers, dealers, depositors, and investment advisers to maintain the records that they are required to maintain under federal securities laws. The Commission periodically inspects the operations of funds to insure their compliance with the provisions of the Act and the rules thereunder. The books and records required to be maintained by rule 31a-1 constitute a major focus of the Commission's inspection program.

There are approximately 3,964 investment companies registered with the Commission, all of which are required to comply with rule 31a-1. For purposes of determining the burden imposed by rule 31a-1, the Commission staff estimates that each fund is divided into approximately four series, on average, and that each series is required to comply with the recordkeeping requirements of rule 31a-1. Based on conversations with fund representatives, it is estimated that rule 31a-1 imposes an average burden of approximately 1,750 hours annually per series for a total of 7,000 annual hours per fund. The estimated total annual burden for all 3,964 funds subject to the rule therefore is approximately 27,748,000 hours. Based on conversations with fund representatives, however, the Commission staff estimates that even absent the requirements of rule 31a-1, 90 percent of the records created pursuant to the rule are the type that generally would be created as a matter of normal business practice and to prepare financial statements. Thus, the Commission staff estimates that the total annual burden associated with rule 31a-1 is 2,774,800 hours.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even

a representative survey or study. The collection of information required by rule 31a-1 is mandatory. Responses will not be kept confidential. The records required by rule 31a-1 are required to be preserved pursuant to rule 31a-2 under the Investment Company Act (17 CFR 270.31a-2). Rule 31a-2 requires that certain of these records be preserved permanently, and that others be preserved six years from the end of the fiscal year in which any transaction occurred. In both cases, the records should be kept in an easily accessible place for the first two years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view background documentation for this information collection at the following website: [www.reginfo.gov](http://www.reginfo.gov). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to (i) [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain) and (ii) David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549, or by sending an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: December 4, 2020.

**J. Matthew DeLesDernier,**  
Assistant Secretary.

## DEPARTMENT OF TRANSPORTATION

### Federal Aviation Administration

[Docket No. 2120-0671]

#### Agency Information Collection Activities: Request for Renewal of a Previously Approved Information Collection(s): Safety Management Systems for Part 121 Certificate Holders

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice and request for comments.

<sup>12</sup> 17 CFR 200.30-3(a)(12).

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection used to support the analysis of safety data as part of Safety Management Systems required for part 121 certificate holders. The information to be collected will be used to identify hazards and show ongoing compliance with part 5, Safety Management Systems. All collected data and records are maintained by the certificate holders and not submitted to the FAA.

**DATES:** Written comments should be submitted by February 8, 2021.

**ADDRESSES:** Please send written comments:

*By Electronic Docket:*  
www.regulations.gov (Enter docket number into search field).

*By Mail:* Docket Management Facility, U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m.

*By Fax:* 202-493-2251.

**FOR FURTHER INFORMATION CONTACT:**

Sean Denniston, Safety Management Program Office (AFS-910), by email at: sean.denniston@faa.gov or by phone: 202-267-1493.

**SUPPLEMENTARY INFORMATION:**

*Public Comments Invited:* You are asked to comment on any aspect of this

information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for the FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

*OMB Control Number:* 2120-0763.

*Title:* Safety Management Systems for Part 121.

*Form Numbers:* None.

*Type of Review:* Renewal of an Information Collection with changes.

*Background:* The information collection involves the collection and analysis of safety data as part of a Safety Management System (SMS), as required for Part 121 certificate holders by 14 CFR Part 5, Safety Management Systems. The information to be collected will continue to be used to identify hazards and show compliance with Part 5.

The existing information collection included the submission of SMS Implementation Plans to the FAA by March 9, 2018. That portion of the information collection has been completed and only new applicants for a Part 121 certificate will be required to submit SMS Implementation Plans in

the future. While the burden for existing Part 121 certificate holders is significantly reduced, it is anticipated there will be some ongoing recordkeeping requirements for Part 5 compliance.

The FAA previously published a 60-Day **Federal Register** Notice on June 20, 2018 (83 FR 28758) and a 30-Day **Federal Register** Notice on September 17, 2018 (83 FR 46990). The FAA did not receive any comments on either notice. Since the 60-Day and 30-Day notices there have been changes to the original request. The current number of Part 121 certificate holders in 2020 is 68 compared to 90 in 2015. The 68 Part 121 certificate holders implemented a Safety Management System by the March 9, 2018 Part 5 deadline. The burden analysis has been revised reflecting Part 121 SMS implementation, revised industry numbers, and analysis of post-implementation recordkeeping.

*Respondents:* All 68 existing Part 121 certificate holders.

*Frequency:* Implementation plan collection: 1 future applicant for Part 121 certificate (anticipating no more than one new applicant a year). Recordkeeping requirement: Annual recordkeeping requirements for all 68 existing Part 121 certificates.

*Estimated Average Burden per Response:*

Air carrier groups		Number of air carriers
Part 121 Certificate Holders		
Large (50+ aircraft) .....		25
Medium (10-49 aircraft) .....		19
Small (<9 aircraft) .....		24
Number of Operators .....		68

*Respondents:*

Summary (annual numbers)	Reporting	Recordkeeping	Disclosure
Large and Medium Air Carrier			
Number of Respondents .....	.....	44	N/A
Number of Responses per respondent .....	.....	1	N/A
Time per Response .....	.....	2,000	N/A
Total number of responses .....	.....	44	N/A
Total burden (hours) .....	.....	99,440	N/A
Summary (annual numbers)	Reporting	Recordkeeping	Disclosure
Small Air Carrier			
Number of Respondents .....	.....	24	N/A
Number of Responses per respondent .....	.....	1	N/A
Time per Response .....	.....	1,000	N/A
Total number of responses .....	.....	24	N/A
Total burden (hours) .....	.....	24,000	N/A

Estimated annual collection activity  
for one new medium Part 121 air carrier.

Summary (annual numbers)	GAP analysis	Implementation plan	SMS
<b>Medium Air Carrier</b>			
Number of Respondents .....	.....	1	.....
Number of Responses per respondent .....	.....	1	.....
Time per Response .....	.....	2,732	.....
Total number of responses .....	.....	1	.....
Total burden (hours) .....	.....	2,732	.....

*Estimated Total Annual Burden:*  
Total annual burden for existing Part  
121 certificate holders 123,400 hours.  
Total annual burden for new Part 121  
certificate applicant 2,732 hours.

Issued in Washington, DC.

**Robert C. Carty,**

*Deputy Executive Director, Flight Standards  
Service.*

## DEPARTMENT OF TRANSPORTATION

### Federal Highway Administration

#### Notice of Intent To Prepare a Draft Environmental Impact Statement for the El Camino Real Roadway Renewal Project on State Route 82, in San Mateo County, California

**AGENCY:** Federal Highway  
Administration (FHWA), U.S.  
Department of Transportation (DOT).

**ACTION:** Notice of Intent (NOI) to prepare  
a Draft Environmental Impact Statement  
(Draft EIS) for the El Camino Real  
Roadway Renewal Project.

**SUMMARY:** The FHWA on behalf of the  
California Department of Transportation  
(Caltrans), is issuing this notice to  
advise the public that a Draft EIS will  
be prepared for the El Camino Real  
Roadway Renewal Project (Project), a  
proposed highway project on State  
Route 82 in San Mateo County,  
California.

**DATES:** This notice will be accompanied  
by a 30-day public scoping comment  
period from Monday, November 16,  
2020, to December 17, 2020. The  
deadline for public comments is 5:00  
p.m. (PST) on December 17, 2020.  
Because COVID-19 social distancing  
advisories are still in effect, no physical  
public meetings will be held during the  
public scoping comment period.  
However, Caltrans will be making  
project information available on the  
internet at [www.ECRalternatives.com](http://www.ECRalternatives.com)  
throughout the entire public comment  
period. A link to the above website is

accessible through the project website at  
[www.ElCaminoRealProject.com](http://www.ElCaminoRealProject.com) or  
[https://dot.ca.gov/caltrans-near-me/  
district-4/d4-projects/d4-san-mateo-82-  
el-camino-real-project](https://dot.ca.gov/caltrans-near-me/district-4/d4-projects/d4-san-mateo-82-el-camino-real-project). Project materials  
will be posted on the  
[www.ECRalternatives.com](http://www.ECRalternatives.com) website and  
will include project background, project  
schedule, frequently asked questions,  
archival information from prior public  
outreach presentations, the El Camino  
Real Task Force effort 2017–2018, newly  
developed narrated presentation slides  
about the ECR Project's purpose and  
need, the alternatives being considered,  
tree survey information, and  
information regarding the Howard-  
Ralston Eucalyptus Tree Rows, a  
resource on the National Register of  
Historic Places, and other historic  
resources in the project area. A poster  
gallery will also be available that  
features project alternatives and key  
slide content.

The virtual public information tour  
will also include a virtual public forum  
for the public to share thoughts on the  
project material, the project alternatives  
under consideration, suggest other  
alternatives, and read what other  
members of the public are saying about  
the project. All comments offered  
through the virtual public forum will be  
moderated to maintain respectful  
discourse. Comments shared through  
the virtual public forum will become  
part of the public record.

In addition, the public can submit  
formal scoping comments through the  
[www.ECRalternatives.com](http://www.ECRalternatives.com) website via  
an electronic comment submission  
form, via email at [ECRproject@  
dot.ca.gov](mailto:ECRproject@dot.ca.gov), or via USPS at the contact  
information listed below. In addition to  
email notifications, Caltrans has mailed  
notification postcards via USPS to the  
public, based on information collected  
from early public outreach efforts, and to  
city, county and state officials with  
jurisdiction in the project area.  
Postcards provide contact information  
for requesting information in alternative  
formats or alternative language  
translation services.

More information can also be found at  
the project website at  
[www.ElCaminoRealProject.com](http://www.ElCaminoRealProject.com) or  
[https://dot.ca.gov/caltrans-near-me/  
district-4/d4-projects/d4-san-mateo-82-  
el-camino-real-project](https://dot.ca.gov/caltrans-near-me/district-4/d4-projects/d4-san-mateo-82-el-camino-real-project).

#### FOR FURTHER INFORMATION CONTACT:

Yolanda Rivas, Senior Environmental  
Planner, Caltrans District 4, P.O. Box  
23660, MS-8B, Oakland, CA 94623-  
0660, telephone (510) 506-1461, or  
email [Yolanda.rivas@dot.ca.gov](mailto:Yolanda.rivas@dot.ca.gov). For  
FHWA, contact David Tedrick,  
telephone (916) 498-5024, or email  
[david.tedrick@dot.gov](mailto:david.tedrick@dot.gov).

**SUPPLEMENTARY INFORMATION:** Effective  
July 1, 2007, the FHWA assigned, and  
Caltrans assumed, environmental  
responsibilities for this project pursuant  
to 23 U.S.C. 327. Caltrans as the  
assigned National Environmental Policy  
Act (NEPA) agency, will prepare a Draft  
EIS on a proposal for 3.6-mile roadway  
rehabilitation project in San Mateo  
County, California. The project limits  
extend from East Santa Inez Avenue in  
the City of San Mateo to Millbrae  
Avenue in the City of Millbrae.

The project is needed to address the  
overall condition of the existing  
roadway by correcting the following  
deficiencies: The pavement is currently  
rated as poor, with moderate alligator  
cracking and very poor ride quality  
indicating roadway structural  
inadequacy; water ponding and frequent  
localized flooding occurs due to uneven  
roadway surfaces and inadequate or  
impacted drainage systems; pedestrian  
access is impaired due to lack of  
updated curb ramps and uneven  
sidewalks; pedestrian infrastructure is  
not compliant with state and federal  
Americans with Disabilities Act (ADA)  
requirements; existing sidewalks lack  
accessible pedestrian signals systems,  
countdown pedestrian systems, high-  
visibility striping, or current devices;  
and pavement markings.

The purpose of the project is to  
preserve and extend the life of the  
roadway and improve ride quality,  
improve drainage efficiency to reduce  
localized flooding, improve visibility for
