### Set Aside Funding:

The Further Consolidated Appropriations Act, 2020, DIV III, Title B—Agriculture, Rural Development designated funding for Federally-Recognized Native American Tribes, Rural Empowerment Zone/Enterprise Communities/Rural Economic Area Partnerships, and projects in Persistent Poverty areas, Native American Persistent Poverty areas and for Strategic Economic and Community Development (SECD) projects in Fiscal Year 2020. Set aside funding may ultimately be made available through appropriations in FY2021 where continued emphasis is given to financial assistance for projects located in these areas. Eligible applicants for the set aside funds, if available, must demonstrate that at least 75 percent of the benefits of an approved grant will assist beneficiaries in the designated areas. The completed application deadline for these set aside funds, if available, is consistent with the application deadline date of March 31,

2021. Applicants for set aside funds must indicate that they are applying for set aside funds and may not submit a duplicate application for regular RBDG funds. Eligible applications for set aside funding that are not funded due to insufficient funds will be allowed to compete for available FY2021 regular RBDG funds in the State where the Project is located.

*Persistent poverty counties:*

The Further Consolidated Appropriations Act, 2020, SEC. 740 designates funding for projects in Persistent Poverty counties. Persistent Poverty counties as defined in SEC. 740 is “any county that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by the 1990 and 2000 decennial censuses, and 2007–2011 American Community Survey 5-year average, or any territory or possession of the United States”. Another provision in SEC. 740 expands the eligible population in Persistent Poverty counties to include any county seat of such a persistent poverty county that has a population that does not exceed the authorized population limit by more than 10 percent. This provision expands the current 50,000 population limit to 55,000 for only county seats located in Persistent Poverty counties. Therefore, beneficiaries of technical assistance services located in Persistent Poverty county seats with populations up to 55,000 (per the 2010 Census) are eligible.

#### E. Application Review Information

##### 1. Criteria.

All eligible and complete applications will be evaluated and scored based on the selection criteria and weights contained in 7 CFR 4280, subpart E. Failure to address any one of the criteria by the application deadline will result in the application being determined ineligible, and the application will not be considered for funding.

##### 2. Review and Selection Process.

The Rural Development State Offices will review applications to determine if they are eligible for assistance based on requirements contained in 7 CFR parts 4280.416 and 4280.417. Funding of projects is subject to the Applicant's satisfactory submission of the items required by 7 CFR 4280 subpart E and this Notice in addition to any conditions specifically outlined in any issued USDA Rural Development Letter of Conditions if available funds are to be awarded.

Applications will compete at the state level in their respective category, business opportunity grants or business enterprise grants, for funding made available through Rural Development State allocated funds. Applications will be reviewed, prioritized by score, and

funded by ranking each Project in highest to lowest score order until available funds are exhausted. If funds are exhausted at the state level, each State's highest scoring unfunded business enterprise project will have the opportunity to compete for funding through a final national competition.

The Agency reserves the right to award additional discretionary points under 7 CFR 4280.435. Discretionary points may be awarded to accomplish geographic distribution of funds, special Secretary of Agriculture initiatives such as Priority Communities, or a state's strategic goals. Discretionary points may only be awarded to initial grants.

#### F. Federal Award Administration Information

##### 1. Federal Award Notices.

Successful applicants will receive notification for funding from the Rural Development State Office. Applicants must comply with all applicable statutes and regulations before the grant award can be approved and funded. The grant will be considered officially awarded when all conditions in the Letter of Conditions have been met and the Agency obligates the funding for the Project.

Additional requirements that apply to grantees selected for these Programs can be found in 7 CFR 4280, subpart E; the Grants and Agreements regulations of the U.S. Department of Agriculture codified in 2 CFR 400.1 to 400.2 and 2 CFR part 415 to 422, and successor regulations to these parts.
