SUPPLEMENTARY INFORMATION:

Background

The EAC program is authorized under Title IV of the Civil Rights Act of 1964, 42 U.S.C. 2000c-2, 2000c-5, and the implementing regulations in 34 CFR part 270. This program awards grants through cooperative agreements to operate regional EACs that provide technical assistance (including training) at the request of school boards and other responsible governmental agencies in the preparation, adoption, and implementation of plans for the desegregation of public schools—which in this context means plans for equity (including desegregation based on race, national origin, sex, and religion)—and in the development of effective methods of coping with special educational problems occasioned by desegregation. Desegregation assistance, per 34 CFR 270.4, may include, among other activities: (1) Dissemination of information regarding effective methods of coping with special educational problems occasioned by desegregation; (2) assistance and advice in coping with these problems; and (3) training designed to improve the ability of teachers, supervisors, counselors, parents, community members, community organizations, and other elementary or secondary school personnel to deal effectively with special educational problems occasioned by desegregation. A project must provide technical assistance in all four of the desegregation assistance areas: Race, sex, national origin, and religion desegregation.

On January 13, 2021, the Department published in the **Federal Register** (86 FR 2653) an NIA for the FY 2021 EAC competition, ALN 84.004D.

On January 20, 2021, President Joseph R. Biden signed Executive Order 13985, titled “Advancing Racial Equity and Support for Underserved Communities Through the Federal Government.” This

Executive order directed the Federal Government to pursue a comprehensive approach to advancing equity for all, including people of color and others who have been historically underserved, marginalized, and adversely affected by persistent poverty and inequality.

On January 20, 2021, President Biden also signed Executive Order 13988, titled “Preventing and Combating Discrimination on the Basis of Gender Identity or Sexual Orientation.” This Executive order directed the Federal Government to prevent and combat discrimination on the basis of gender identity or sexual orientation, and to fully enforce laws that prohibit discrimination on the basis of gender identity or sexual orientation.

On February 2, 2021, President Biden signed Executive Order 14012, titled “Restoring Faith in Our Legal Immigration Systems and Strengthening Integration and Inclusion Efforts for New Americans.” This Executive order directed the Federal Government to ensure that laws and policies encourage full participation by immigrants, including refugees, in our civic life; that immigration processes and other benefits are delivered effectively and efficiently; and that the Federal Government eliminates sources of fear and other barriers that prevent immigrants from accessing government services available to them.

To allow the Department the opportunity to consider how best to align the EAC program with these Executive orders, to the extent statutorily permitted, the Department is withdrawing the NIA and cancelling this competition. The Department will propose to extend the project period for current grantees to ensure the continuity of the important services provided under the program. The Department intends to announce a new EAC competition for five-year grants in FY 2022.
