**SUPPLEMENTARY INFORMATION:**

**I. Background**

The FAA established the Task Force by charter on October 3, 2019, under Public Law 115-254. The Task Force is required by statute to develop and provide independent recommendations and strategies to the FAA Administrator to: (1) Facilitate and encourage high school students in the United States to enroll in and complete career and technical education courses, including science, technology, engineering, and mathematics (STEM), that will prepare them to pursue a course of study related to an aviation career at an institution of higher education, a community college, or trade school; (2) facilitate and encourage these students to enroll in a course of study related to an aviation career, including aviation manufacturing, engineering and maintenance, at an institution of higher education, including a community college or trade school; and (3) identify and develop pathways for students to secure registered apprenticeships, workforce development programs, or careers in the aviation industry of the United States.

**II. Agenda**

At the meeting, the agenda will cover the following topics:

- Welcome/Opening Remarks
- Approval of Previous Meeting Minutes
- Subcommittee Presentations
- Review of Action Items
- Closing Remarks

A detailed agenda will be posted on the YIATF internet website address listed in the **ADDRESSES** section at least 15 days in advance of the meeting. Copies of the meeting minutes will also be available on the YIATF internet website.

**III. Public Participation**

The meeting will be open to the public and livestreamed. Members of the public who wish to observe the virtual meeting can access the livestream on the FAA social media platforms listed in the **ADDRESSES** section on the day of the event.

The U.S. Department of Transportation is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, such as sign language, interpretation, or other ancillary aids, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

The FAA is not accepting oral presentations at this meeting due to time constraints. However, the public may present written statements to the Task Force by providing a copy to the Designated Federal Officer via the email listed in the **FOR FURTHER INFORMATION CONTACT** section.

Issued in Washington, DC.

**Notice of Intent To Rule on Request for Disposal of 5.1 Acres of Land at Dillant-Hopkins Airport, Swanzey, NH**

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Request for public comments.

**SUMMARY:** Notice is being given that the FAA is considering a request from the City of Keene, NH to dispose of 5.1 acres of land Dillant-Hopkins Airport, Swanzey, NH. The notice is required under the 2018 FAA Reauthorization Act, Airport Improvement Program. The land is not required for aeronautical use. Given its location, the disposal of land will not affect existing or future aviation development at the airport. An aviation easement will be placed on the property to ensure conformance with airport airspace requirements. The regulations require that 90% of the proceeds be reinvested in federal grant program. The remaining 10% will be placed in the airport’s operating and maintenance fund.

**DATES:** Comments must be received on or before June 14, 2021.
