

and collateral upgrade transactions with members' other regulatory reporting.¹⁷

SIFMA requested that FINRA further clarify the reporting date for the SLS, and suggested that data should be reported as of month-end. In response, FINRA has revised the SLS to provide that the SLS must be completed as of the last business day of each month (as noted above, the SLS date) and filed within 24 business days after the end of the month. FINRA notes the 24 business days is meant to afford members additional time to file versus the 22 business days as proposed in the *Notice*. SIFMA requested clarification as to who within a member would be responsible for completing the proposed SLS. In response, it is not FINRA's intention to impose an additional potential burden by designating specific persons within the firm that would need to complete the SLS. Given the SLS is intended as a supplement to the FOCUS reporting for which a member is already responsible, FINRA understands that members may handle the SLS as a financial and operational report consistent with their FOCUS and other financial-related reporting processes and obligations.
