

they are joined with non-subject merchandise, such as nacelles or rotor blades, and whether or not they have internal or external components attached to the subject merchandise.

Specifically excluded from the scope are nacelles and rotor blades, regardless of whether they are attached to the wind tower. Also excluded are any internal or external components which are not attached to the wind towers or sections thereof, unless those components are shipped with the tower sections.

Merchandise covered by this investigation is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) under subheading 7308.20.0020 or 8502.31.0000. Wind towers of iron or steel are classified under HTSUS 7308.20.0020 when imported separately as a tower or tower section(s). Wind towers may be classified under HTSUS 8502.31.0000 when imported as combination goods with a wind turbine (*i.e.*, accompanying nacelles and/or rotor blades). While the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this investigation is dispositive.

Certain Frozen Warmwater Shrimp From India: Preliminary Results of Antidumping Duty Administrative Review; 2019–2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain frozen warmwater shrimp (shrimp) from India is being, or is likely to be, sold in the United States at less than normal value during the period of review (POR) February 1, 2019, through January 31, 2020.

DATES: Effective June 25, 2021.

FOR FURTHER INFORMATION CONTACT: Adam Simons or Ajay Menon, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6172 or (202) 482-1992, respectively.

Background

Commerce is conducting an administrative review of the antidumping duty order on shrimp from India. The review covers 155 producers and/or exporters of the subject merchandise. Commerce selected two mandatory respondents for individual examination: RSA Marines and HN Indigos. The POR is February 1, 2019, through January 31, 2020. On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.¹ On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.² In January 2021, we extended these preliminary results of this review to no later than June 18, 2021.³ For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.⁴

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.⁵ The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03,

¹ See Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews in Response to Operational Adjustments Due to COVID-19,” dated April 24, 2020.

² See Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews,” dated July 21, 2020.

³ See Memorandum, “Extension of Deadline for Preliminary Results of the 2019–2020 Antidumping Duty Administrative Review,” dated January 26, 2021. However, on June 17, 2021, the President signed into law the Juneteenth National Independence Day Act, making June 19 a Federal holiday. *See* Juneteenth National Independence Day Act, S. 475, Public Law 117–17 (2021). Because the Federal holiday fell on a Saturday, it was observed on Friday, June 18, 2021. Where a deadline falls on a weekend or Federal holiday, the appropriate deadline is the next business day. *See Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for these preliminary results is on June 21, 2021.

⁴ See Memorandum, “Decision Memorandum for the Preliminary Results of the 2019–2020 Administrative Review of the Antidumping Duty Order on Certain Frozen Warmwater Shrimp from India,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁵ For a complete description of the scope of the order, *see* Preliminary Decision Memorandum.

Although the HTSUS numbers are provided for convenience and for customs purposes, the written product description remains dispositive.

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

Preliminary Results of the Review

As a result of this review, we preliminarily determine that weighted-average dumping margins exist for the respondents for the period February 1, 2019, through January 31, 2020, as follows:

| Exporter/producer | Weighted-average dumping margin (percent) |
|---|---|
| RSA Marines | 4.73 |
| HN Indigos | 11.36 |
| Companies Not Selected for Individual Review ⁶ | 7.57 |

Review-Specific Average Rate for Companies Not Selected for Individual Review

The exporters or producers not selected for individual review are listed in Appendix II.

⁶ This rate is based on the weighted-average of the margins calculated for those companies selected for individual review using the publicly-ranged U.S. quantities. Because we cannot apply our normal methodology of calculating a weighted-average margin due to requests to protect business proprietary information, we find this rate to be the best proxy of the actual weighted-average margin

Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.⁷ Interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.⁸ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for filing case briefs.⁹ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁰ Case and rebuttal briefs should be filed using ACCESS.¹¹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.¹² Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing.¹³

Commerce intends to issue the final results of this administrative review, including the results of its analysis raised in any written briefs, not later than 120 days after the publication date of this notice, pursuant to section 751(a)(3)(A) of the Act, unless the deadline is extended.

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess,

determined for the mandatory respondents. *See Ball Bearings and Parts Thereof from France, et al.: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part*, 75 FR 53661, 53663 (September 1, 2010); *see also* Memorandum, "Calculation of the Review-Specific Average Rate for the Preliminary Results," dated concurrently with this notice.

antidumping duties on all appropriate entries covered by this review.¹⁴

Pursuant to 19 CFR 351.212(b)(1), because both respondents reported the entered value for all of their U.S. sales, we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the review-specific average rate, calculated as noted in the "Preliminary Results of Review" section, above. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁵

Consistent with its recent notice,¹⁶ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for

previously reviewed or investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 10.17 percent, the all-others rate made effective by the LTFV investigation.¹⁷ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 21, 2021.

James Maeder,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
