SUPPLEMENTARY INFORMATION:**Background Information and Regulatory History**

On August 3, 2021, we published an NPRM entitled “Special Local Regulations; Choptank River, Cambridge, MD” in the **Federal Register** (86 FR 41798). The proposed rulemaking concerned the Coast Guard’s establishment of a temporary special local regulation for certain navigable waters of the Choptank River, effective from 9 a.m. on October 9, 2021 through 6 p.m. on October 10, 2021. This action was necessary to provide for the safety of life on these waters during a power

boat racing event. This rulemaking would have prohibited persons and vessels from entering the regulated area unless authorized by the Captain of the Port Maryland-National Capital Region or the Coast Guard Event Patrol Commander.

Withdrawal

The proposed rule is being withdrawn due to the regulated area no longer being necessary following a cancellation of the power boat racing event by the event sponsor.

Authority

We issue this notice of withdrawal under the authority of 46 U.S.C. 70041.

Dated: September 13, 2021.

David E. O’Connell,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

SUPPLEMENTARY INFORMATION:**Background**

The Privacy Act of 1974, as amended, 5 U.S.C. 552a, governs the means by which the U.S. Government collects, maintains, uses and disseminates personally identifiable information. The Privacy Act applies to records about individuals that are maintained in a “system of records.” A system of records is a group of any records under the control of an agency from which information about an individual is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual. See 5 U.S.C. 552a(a)(4) and (5).

An individual may request access to records containing information about him or herself, 5 U.S.C. 552a(b), (c) and (d). However, the Privacy Act authorizes Federal agencies to exempt systems of records from access by individuals under certain circumstances, such as where the access or disclosure of such information would impede national security or law enforcement efforts. Exemptions from Privacy Act provisions must be established by regulation, 5 U.S.C. 552a(j) and (k).

The Department of the Interior (DOI) Office of Law Enforcement and Security published the INTERIOR/DOI–50, Insider Threat Program, system of records notice in the **Federal Register** at 79 FR 52033 on September 2, 2014, in accordance with Presidential Executive Order 13587, issued October 7, 2011, which required Federal agencies to establish an insider threat detection and prevention program to ensure the security of classified networks and the responsible sharing and safeguarding of classified information consistent with appropriate protections for privacy and civil liberties.
