

provide written notice to its members each time a change is proposed to the incorporated rules of another SRO.¹⁵

The Commission believes that the Exchanges have satisfied each of these conditions. The Commission also believes that granting the Exchanges an exemption from the rule filing requirements under Section 19(b) of the Exchange Act will promote efficient use of the Commission's and the Exchanges' resources by avoiding duplicative rule filings based on simultaneous changes to identical rule text sought by more than one SRO.¹⁶ The Commission therefore finds it appropriate in the public interest and consistent with the protection of investors to exempt the Exchanges from the rule filing requirements under Section 19(b) of the Exchange Act with respect to the above-described FINRA rules they have incorporated by reference. This exemption is conditioned upon the Exchanges promptly providing written notice to their applicants, members, and associated persons whenever FINRA changes a rule that the Exchanges have incorporated by reference.

Accordingly, *it is ordered*, pursuant to Section 36 of the Exchange Act,¹⁷ that the Exchanges are exempt from the rule filing requirements of Section 19(b) of the Exchange Act solely with respect to changes to the rules identified in the Exemptive Request, provided that the Exchanges promptly provide written notice to their applicants, members, and associated persons whenever FINRA proposes to change a rule that the Exchanges have incorporated by reference.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁸
