SUPPLEMENTARY INFORMATION: The NPS SRC program is authorized under section 808 of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3118).

The SRCs hold meetings to develop NPS subsistence program recommendations and advise on related regulatory proposals and resource management issues.

Each SRC is composed of nine members: (a) Three members appointed by the Secretary of the Interior; (b) three members appointed by the Governor of the State of Alaska; and (c) three members appointed by a Regional Advisory Council (RAC), established pursuant to 16 U.S.C. 3115, which has jurisdiction within the area in which the park is located. Each of the three members appointed by the RAC must be a member of either the RAC or a local advisory committee within the region who also engages in subsistence uses within the park or national monument.

We are now seeking nominations for those members of each of the SRCs listed above.

These members are to be appointed by the Secretary of the Interior.

Members will be appointed for a term of three years. Members of the SRC serve without compensation. However, while away from their homes or regular places of business in the performance of services for the SRC, and as approved by the Designated Federal Officer (DFO), members may be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in Government service are allowed such expenses under Section 5703 of Title 5 of the United States Code.

SRC meetings will take place at such times as designated by the DFO.

Members are expected to make every effort to attend all meetings. Members may not appoint deputies or alternates.

We are seeking nominations for members to represent subsistence users on each of the five SRCs listed above. All those interested in serving as members, including current members whose terms are expiring, must follow the same nomination process.

Nominations should be typed and should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior to make an informed decision regarding meeting the membership requirements of the SRC, and to permit the Department to contact a potential member.

Authority: 5 U.S.C. Appendix 2.

Alma Ripps,
Chief, Office of Policy.

AGENCY: National Park Service, Interior.

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request to the Mississippi Department of Archives and History. If no additional requestors come forward, transfer of control of the human remains and associated funerary objects to the lineal descendants, Indian Tribes, or Native Hawaiian organizations stated in this notice may proceed.

DATES: Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to the Mississippi Department of Archives and History at the address in this notice by October 20, 2021.

FOR FURTHER INFORMATION CONTACT: Meg Cook, Director of Archaeology

Collections, Mississippi Department of Archives and History, Museum Division, 222 North Street, P.O. Box 571, Jackson, MS 39205, telephone (601) 576-6927, email mcook@mdah.ms.gov.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains and associated funerary objects under the control of the Mississippi Department of Archives and History, Jackson, MS. The human remains and associated funerary objects were removed from six sites in Tunica County, Mississippi.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

Consultation

A detailed assessment of human remains was made by the Mississippi Department of Archives and History professional staff in consultation with representatives of the Alabama-Coushatta Tribe of Texas [previously listed as Alabama-Coushatta Tribes of Texas]; Alabama-Quassarte Tribal Town; Coushatta Tribe of Louisiana; Eastern Band of Cherokee Indians; Jena Band of Choctaw Indians; Miami Tribe of Oklahoma; Mississippi Band of Choctaw Indians; Quapaw Nation [previously listed as The Quapaw Tribe of Indians]; The Chickasaw Nation; The Choctaw Nation of Oklahoma; The Muscogee (Creek) Nation; and The Osage Nation [previously listed as Osage Tribe] (hereafter referred to as "The Tribes").

History and Description of the Remains

Beginning in 1971, human remains representing, at minimum, 11 individuals were removed from the following sites in Tunica County, MS: Beaver Dam (22TU513), Canon (22TU523), Clay Ball (22TU600), Martin #2 (22TU534), Parker-McClintock (22TU594), and Sledge (22TU510). The human remains belong to individuals of unidentified sex and age. No known individuals were identified. Associated funerary objects were removed from the Canon, Parker-McClintock, and Sledge sites. The 15 associated funerary objects are three lots of ceramic sherds, one lot of ceramic vessels, one lot of charcoal, one lot of clay beads, one lot of daub,

two lots of faunal bones, one lot of fired clay, two lots of lithic debitage, one lot metal, one lot pit fill, and one lot of unworked stone.

The Mississippi Department of Archives and History has determined that the human remains of these individuals are Native American through the circumstances of acquisition, as well as through the observance of biological markers consistent with this ancestry. The circumstances of acquisition, including excavation notes and associated funerary objects, show that these human remains are affiliated with Mississippian cultures that are indigenous to these areas of Mississippi. Present day Indian Tribes associated with these cultures include The Tribes.

Determinations Made by the Mississippi Department of Archives and History

Officials of the Mississippi Department of Archives and History have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of 11 individuals of Native American ancestry.

- Pursuant to 25 U.S.C. 3001(3)(A), the 15 associated funerary objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and associated funerary objects and The Tribes.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to Meg Cook, Director of Archaeology Collections, Mississippi Department of Archives and History, Museum Division, 222 North Street, P.O. Box 571, Jackson, MS 39205, telephone (601) 576-6927, email mcook@mdah.ms.gov, by October 20, 2021. After that date, if no additional requestors have come forward, transfer of control of the human remains and associated funerary objects to The Tribes may proceed.

The Mississippi Department of Archives and History is responsible for

notifying The Tribes that this notice has been published.

Dated: September 7, 2021.

Melanie O'Brien,

Manager, National NAGPRA Program.
