The project is an extension of the Interstate 495 (I-495) Express Lanes along approximately three miles of I-495, also referred to as the Capital Beltway, from their current northern terminus south of the Dulles Toll Road (DTR)/Route 267 interchange to the George Washington Memorial Parkway (GWMP). The project also includes access ramp improvements and lane reconfigurations along portions of the DTR and the Dulles International Airport Access Highway, on either side of I-495, from the Spring Hill Road Interchange to the Route 123 interchange. The proposed improvements entail new and reconfigured I-495 Express Lane ramps and general-purpose lane ramps.
