

factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination—The Commission has determined this review is extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: October 1, 2021.

Katherine Hiner,

Supervisory Attorney.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On September 30, 2021, the Department of Justice lodged a proposed consent decree with the United States District Court for the Northern District of Texas in the lawsuit entitled *United States v. WTG Gas Processing, LP; WTG South Permian Midstream LLC; and Davis Gas Processing, Inc.*, Civil Action No. 1:21-cv-182-H.

The United States filed this lawsuit under the Clean Air Act. The complaint seeks injunctive relief and civil penalties based on violations of Clean Air Act Section 112(r), 42 U.S.C. 7412(r), and the Chemical Accident Prevention Provisions promulgated at 40 CFR part 68, including violations that stem from releases of hazardous air pollutants. The alleged violations occurred at three natural gas processing and plants and one natural gas treatment plant owned and operated by the defendants, WTG Gas Processing, LP; WTG South Permian Midstream LLC; and Davis Gas Processing, Inc., in the cities of Coahoma, Midkiff, Cisco, and Big Lake, Texas. The consent decree requires the defendants to perform injunctive relief and pay a \$3,125,000 civil penalty.

The publication of this notice opens a period for public comment on the proposed consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should
