The purpose of this matching program is to verify the eligibility of applicants to and subscribers of Lifeline, and the Emergency Broadband Benefit Program, both of which are administered by USAC under the direction of the FCC. More information about these programs is provided in the **SUPPLEMENTARY INFORMATION** section below.

**DATES:** Written comments are due on or before November 8, 2021. This computer matching program will commence on November 8, 2021, and will conclude 18 months after the effective date.

A household may qualify for the EBBP benefit under various criteria, including an individual qualifying for the FCC's Lifeline program.
