SUPPLEMENTARY INFORMATION:

I. Background

Section 135(c)(1) of the Trade Act of 1974, as amended (19 U.S.C. 2155(c)(1)), authorizes the President to establish individual general trade policy advisory committees for industry, labor, agriculture, services, investment, defense, small business, and other interests, as appropriate, to provide general policy advice. The President delegated that authority to the U.S. Trade Representative in Executive Order 11846, section 4(d), issued on March 27, 1975. Pursuant to an executive order that renewed the TEPAC and extended Executive Order 12905 of March 25, 1994, the U.S. Trade Representative established a new two-year charter term for the TEPAC, which began on September 28, 2021, and will end on September 28, 2023.

The TEPAC is a trade advisory committee established to provide general policy advice to the U.S. Trade Representative on trade policy matters that have a significant impact on the environment. More specifically, the TEPAC provides general policy advice with respect to the effect on the environment of implementation of trade agreements; negotiating objectives and bargaining positions before entering into trade agreements; the operation of any trade agreement once entered into, and other matters arising in connection with the development, implementation, and administration of the trade policy of the United States.

The TEPAC meets as needed, at the call either of the U.S. Trade Representative or their designee, or two-thirds of the TEPAC members, depending on various factors such as the level of activity of trade negotiations and the needs of the U.S. Trade Representative.

II. Membership

The TEPAC is composed of not more than 35 members, including, but not
