

furtherance of the purposes of the Act because all DMMS would continue to be subject to the same fees and credits that currently apply to them. The Exchange notes that the proposal does not change the amount of any current fees or rebates, but rather makes clarifying and formatting changes, and therefore does not raise any competitive issues. To the extent the proposed rule change places a burden on competition, any such burden would be outweighed by the fact that a streamlined Price List would promote clarity and reduce confusion with respect to the fees and credits that DMMS would be subject to. As noted, the proposal would apply to all similarly situated member organizations on the same and equal terms, who would benefit from the changes on the same basis. Accordingly, the proposed change would not impose a disparate burden on competition among market participants on the Exchange.

Intermarket Competition. The Exchange believes the proposed rule change does not impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange operates in a highly competitive market in which market participants can readily choose to send their orders to other exchanges and off-exchange venues if they deem fee levels at those other venues to be more favorable. Market share statistics provide ample evidence that price competition between exchanges is fierce, with liquidity and market share moving freely from one execution venue to another in reaction to pricing changes.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁹ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁰ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-93261; File No. SR-MSRB-2021-04]

Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing of Amendment No. 1 and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment No. 1, Consisting of Proposed Amendments to MSRB Rule G-10, on Investor and Municipal Advisory Client Education and Protection, and MSRB Rule G-48, on Transactions With Sophisticated Municipal Market Professionals, To Amend Certain Dealer Obligations

October 5, 2021.

I. Introduction

On August 2, 2021, the Municipal Securities Rulemaking Board (the “MSRB” or “Board”) filed with the Securities and Exchange Commission (the “SEC” or “Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² a proposed rule change consisting of amendments to MSRB Rule G-10, on investor and municipal advisory client education and protection, and MSRB Rule G-48, on transactions with Sophisticated Municipal Market Professionals (“SMMPs”) (collectively, the “proposed rule change”).

The proposed rule change was published for comment in the **Federal Register** on August 20, 2021.³ The public comment period closed on September 10, 2021.⁴ The Commission received two comment letters on the

proposed rule change.⁵ On September 28, 2021, the MSRB responded to those comments⁶ and filed Amendment No. 1 to the proposed rule change (“Amendment No. 1”).⁷ The Commission is publishing this notice to solicit comments on Amendment No. 1 to the proposed rule change from interested parties and is approving the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.

II. Description of Proposed Rule Change

As described more fully in the Notice and Amendment No. 1, the MSRB stated that the purpose of the proposed amendments to MSRB Rule G-10 is to clarify the scope of the requirements for brokers, dealers and municipal securities dealers (collectively, “dealer” or “dealers”) to provide the required notifications under MSRB Rule G-10 to those customers who would best be served by the receipt of the information.⁸ Additionally, the MSRB stated that the purpose of proposed corresponding amendments to MSRB Rule G-48 is to exclude SMMPs from certain requirements under MSRB Rule G-10.⁹

1. Background

The MSRB has stated that MSRB Rule G-10, as designed, serves to educate and protect investors and municipal advisory clients by providing them with information about the MSRB rules designed to protect them and the process for filing a complaint with the appropriate regulatory authority.¹⁰ MSRB Rule G-10 currently requires dealers and municipal advisors (collectively, “regulated entities”) to provide certain notifications to customers and municipal advisory clients, respectively, once every calendar year. More specifically, MSRB Rule G-10 requires regulated entities to provide, in writing, which may be made

electronically, the following information (“required notifications”): (i) A statement that the regulated entity is registered with the SEC and the MSRB; (ii) the website address for the MSRB; and (iii) a statement as to the availability to the customer or municipal advisory client of a brochure that is available on the MSRB’s website that describes the protections that may be provided by MSRB rules, and how to file a complaint with an appropriate regulatory authority.¹¹

The MSRB stated that it conducted a review of the obligations under MSRB Rule G-10, given that it believed there had been a reasonable implementation period of the rule in its current form to allow the MSRB time to obtain meaningful insight on the operation of the rule.¹² The MSRB noted that it identified an opportunity to reduce certain compliance burdens by re-evaluating the potential benefits of the rule to better align the scope of the rule’s application.¹³ The MSRB indicated that the proposed rule change is specific to the dealer obligations under MSRB Rule G-10.¹⁴ The MSRB is not proposing to modify municipal advisors’ obligations under MSRB Rule G-10 because, according to the MSRB, municipal advisors’ MSRB G-10 obligations are already limited in scope.¹⁵ According to the MSRB, the obligation dealers currently have under MSRB Rule G-10 is broader in that each dealer must provide the required notifications to all customers, including SMMPs, even if those customers have not effected any transaction in municipal securities and may never effect a transaction in municipal securities.¹⁶

The MSRB has noted that MSRB Rule G-48 underscores the differences between dealer obligations to non-

¹⁵ Under MSRB Rule G-10, a municipal advisor must provide the required notifications promptly after the establishment of a municipal advisory relationship, as defined in MSRB Rule G-42(f)(v), or promptly, after entering into an agreement to undertake a solicitation, as defined in Rule 15Ba1-1(n), 17 CFR 240.15Ba1-1(n), under the Act, and then no less than once each calendar year thereafter during the course of that agreement.
