SUPPLEMENTARY INFORMATION:

Title: Request for Federal Aid Reimbursement Eligibility of Safety Hardware Devices. The FHWA's longstanding policy is that all roadside safety hardware installed on the National Highway System (NHS) be crashworthy. To support this policy, the AASHTO/FHWA Joint Implementation Agreement for the Manual for Assessing Safety Hardware (MASH) was adopted. This agreement implemented AASHTO MASH as the criteria for determining crashworthiness of roadside safety hardware.

FHWA provides a service to States and industry by reviewing tests for roadside hardware, ensuring that they have been tested in accordance with MASH criterion, and issuing a federal aid eligibility letter for roadside hardware that meet review standards. An eligibility letter is not a requirement for roadside safety hardware to be determined eligible for Federal funding. Roadside safety hardware is eligible for Federal funding if it has been determined to be crash worthy by the user agency.

To issue eligibility letters for roadside safety hardware, the FHWA needs to collect and review crash test results and hardware information from the submitters.

AGENCY: Federal Highway Administration (FHWA), Transportation (DOT).

ACTION: Notice of limitation on claims for judicial review of actions by FHWA and other federal agencies.

SUMMARY: This notice announces actions taken by FHWA and other Federal agencies that are final. This final agency action relates to a proposed highway project, the relocation of the Round Hill Pines Resort access road and U.S. Highway 50 intersection, construction of a new access road to the Round Hill Pines Resort, and improvements to a 0.35-mile segment of U.S. Highway 50 near Zephyr Cove, Nevada. The FHWA's Finding of No Significant Impact (FONSI) provides details on the Selected Alternative for the proposed improvements.

DATES: By this notice, FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before March 17, 2022. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT:

Ryan Mathis, Project Manager, Federal Highway Administration, Central Federal Lands Highway Division, 12300 W. Dakota Avenue, Suite 380, Lakewood, Colorado 80228, Telephone (720) 963–3728, Email: ryan.mathis@dot.gov. Regular office hours are 8:00 a.m. to 5:00 p.m. (Mountain Time).

SUPPLEMENTARY INFORMATION: Notice is hereby given that FHWA has taken a final agency action by issuing FONSI for the following highway project in the State of Nevada: Round Hill Pines Access Project near Zephyr Cove in Douglas County.

The project includes the relocation of the Round Hill Pines Resort access road and U.S. Highway 50 intersection just north from the existing location. The Round Hill Pines Resort is located within the United States Forest Service, Lake Tahoe Basin Management Unit. The Project will also include widening along U.S. Highway 50 at the relocated intersection to accommodate a median left turn bay and an acceleration lane. The median left turn bay would accommodate travelers who are headed northbound along U.S. Highway 50 and are turning across traffic to enter the Round Hill Pines Resort. U.S. Highway 50 within the project area would receive a pavement mill and overlay, lane striping, pavement markings, and a safety edge in addition to the relocated intersection widening. The Round Hill Pines Resort access road would be approximately 0.14-mile in length constructed on new alignment and would accommodate two travel lanes with safety shoulders.

The FHWA's action, related actions by other Federal agencies, and the laws under which such actions were taken, are described in the Environmental Assessment (EA) approved on May 28, 2021, and the FONSI approved on October 1, 2021, and other documents in the project file. The EA and FONSI are available for review by contacting FHWA at the addresses provided above.
