SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States:

19 U.S.C. 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation.

Specifically, the RD recommends a general exclusion order directed to certain vaporizer cartridges and components thereof. In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the recommended

remedial orders are used in the United States;

(v) explain how the recommended orders would impact consumers in the United States.

Order No. 14, *unreviewed by Comm'n Notice* (Nov. 21, 2019). As initially instituted, the investigation covered reload cartridges for those staplers, but not the staplers themselves. See *id.*
