

submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. FEMA, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on an extension without change of a currently approved information collection. This notice seeks comments concerning a list of hotels, motels, and similar places of public accommodations meeting minimum fire-safety requirements. The information collected is voluntary and if approved for listing, the lodging establishment may be used by Federal employees on government related travel and for Federal agency conferences. As the list is open to use by the public, non-government travelers may use the list to identify lodging meeting minimum life-safety criteria from fire.

DATES: Comments must be submitted on or before December 2, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Teresa Kaas, Fire Program Specialist in FEMA's U.S. Fire Administration at Teresa.Kaas@fema.dhs.gov or 301-447-1263.

SUPPLEMENTARY INFORMATION: The Hotel and Motel Fire Safety Act of 1990 (Pub. L. 101-391) requires FEMA to establish and maintain a list of hotels, motels, and similar places of public accommodation meeting minimum requirements for protection of life from fire. This list is known as the National Master List (NML). This law resulted from a series of deadly fires in hotels and motels, occurring in the late 70's and 80's, with high loss of life. The legislative intent of this public law is to provide all travelers the assurance of fire-safety in accommodations identified on the NML. The Act further stipulates that Federal employees on official travel stay in properties approved by the authority having jurisdiction and listed

on the current NML. For statutory reference see 15 U.S.C. 2224-26.

This proposed information collection previously published in the **Federal Register** on July 22, 2021, at 86 FR 38733 with a 60-day public comment period. No comments were received. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.
