General description of report: In general, the federal flood insurance statutes and Regulation H—Membership of State Banking Institutions in the Federal Reserve System (12 CFR 208) provide that a lender shall not make, increase, extend, or renew a loan secured by a building or mobile home located in a special flood hazard area unless the secured property is covered by flood insurance for the term of the loan. With respect to the recordkeeping and disclosure provisions, the regulation generally requires state member banks to retain certain flood hazard documentation and to notify borrowers and servicers regarding properties in flood hazard areas and requirements related to flood insurance. State member banks also must notify FEMA of the identity of, and any change in, the servicer of a loan secured by improved property in a special flood hazard area.

Proposed revisions: The Board proposes to revise the FR H–2 information collection to account for the recordkeeping provision in section 208.25(i) of Regulation H that had not been previously cleared by the Board under the PRA. When a state member bank makes, increases, extends, or renews a loan secured by a building or a mobile home located or to be located in a special flood hazard area, Regulation H requires that the bank mail or deliver a written notice to the borrower and to the servicer in all cases indicating whether flood insurance is available under the National Flood Insurance Program (NFIP) for the collateral securing the loan. The state member bank must retain a record of the receipt of the notices by the borrower and the servicer for the period of time the bank owns the loan.

Legal authorization and confidentiality: Section 102 of the Flood Disaster Protection Act of 1973, as amended,¹ and section 1364 of the National Flood Insurance Act, as amended,² authorize the Board to impose the disclosure and recordkeeping requirements in section 208.25 of Regulation H. The obligation to comply is mandatory.

Because the Federal Reserve does not collect information from the FR H–2, confidentiality issues generally would not arise. In the event the records are obtained by the Board as part of the examination or supervision of a financial institution, this information may be considered confidential pursuant to exemption 8 of the Freedom of Information Act, which protects information contained in “examination, operating, or condition reports” obtained in the bank supervisory process.³

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Domestic Finance Company Report of Consolidated Assets and Liabilities.

Agency form number: FR 2248.

OMB control number: 7100-0005.

Frequency: Monthly, quarterly, as needed.

Respondents: Finance companies.¹

Estimated number of respondents: Monthly, 150; Quarterly, 150; Addendum, 150.

Estimated average minutes per response: Monthly, 20; Quarterly, 30; Addendum, 10.

Estimated annual burden hours: Monthly, 400; Quarterly, 300; Addendum, 50.

General description of report: The FR 2248 is collected monthly as of the last calendar day of the month from a stratified sample² of finance companies. Each monthly report collects balance sheet data on major categories of consumer and business credit receivables and on major short-term liabilities. For quarter-end months (March, June, September, and December), additional asset and liability items are collected to provide a full balance sheet. A supplemental section collects data on securitized assets. Board staff may ask either quantitative or qualitative questions through the use of a special addendum section no more than twice per year. The data are used to construct universe estimates of finance company holdings, which are published in the monthly statistical releases Finance Companies (G.20) and Consumer Credit (G.19) and in the quarterly statistical release Financial Accounts of the United States (Z.1).³

Legal authorization and confidentiality: The FR 2248 is authorized by sections 2A and 12A of the Federal Reserve Act (FRA). Section

¹ Finance companies include companies in which 50 percent or more of assets are held in any of the following types of loan or lease assets: (1) Liens on real estate, defined as outstanding balances on loans or leases, for any purpose, secured by liens on real estate; (2) loans and leases not secured by real estate, such as business loans and leases, defined as outstanding balances on loans and on leases for commercial and industrial purposes to sole proprietors, partnerships, corporations, and other business enterprises; or consumer loans and leases defined as outstanding balances on loans and on leases for household, family, and other personal expenditures.

² Potential universe of respondents is identified by the quinquennial Census of Finance Companies (FR 3033p) and Survey of Finance Companies (FR 3033s) (OMB No. 7100-0277). More details can be found in the OMB supporting statement.

³ See <https://www.federalreserve.gov/econresdata/statisticsdata.htm>.

2A of the FRA requires that the Board and the Federal Open Market Committee (FOMC) maintain long-run growth of the monetary and credit aggregates commensurate with the economy's long run potential to increase production, so as to promote effectively the goals of maximum employment, stable prices, and moderate long-term interest rates.⁴ Section 12A of the FRA further requires the FOMC to implement regulations relating to the open market operations conducted by Federal Reserve Banks with a view to accommodating commerce and business and with regard to their bearing upon the general credit situation of the country.⁵ The Board and FOMC use the information obtained through the FR 2248 to discharge these responsibilities. The FR 2248 is voluntary.

Although the Board releases aggregate data derived from the FR 2248 in the monthly G.20 and G.19 statistical releases, and in the quarterly Z.1 statistical release, individual finance company information provided by each respondent is generally treated as confidential. Information collected on the FR 2248 is likely to constitute nonpublic commercial or financial information, which is both customarily and actually treated as private by the respondent. Accordingly, such information may be kept confidential by the Board pursuant to exemption 4 of the Freedom of Information Act.⁶ If it should be determined that any information collected on the FR 2248 must be released, respondents would be notified.

Final Approval Under OMB Delegated Authority of the Extension for Three Years, With Revision, of the Following Information Collection

Report title: New Hire Information Collection.

Agency form number: FR 27.

OMB control number: 7100-0375.

Effective Date of Revisions: December 6, 2021.

Frequency: As needed.

Respondents: The FR 27 panel comprises individuals who are new hires to the Board but have not yet become employees.

Estimated number of respondents: Regular hire: 312; intern hire: 122; federal transfer: 10.

Estimated average hours per response: Regular hire: 1; intern hire: 0.75; federal transfer: 1.08.

Estimated annual burden hours: Regular hire: 312; intern hire: 92; federal transfer: 11.

General description of report: This information collection provides for the electronic collection of certain personnel information from new hires using a secure web-based portal, the "New Hire Portal," before the first day

of employment of a new hire. As part of the onboarding process for new hires, a Human Resources professional at the Board identifies the necessary information that must be collected from the new hire, which is dependent upon whether the person will be starting as a full- or part-time employee, including a Governor or Board officer (Regular Hire) or starting as an intern (Intern Hire), or whether the Regular Employee is transferring from another federal agency (Federal Transfer). The new hire is then sent an email asking him or her to provide the information described below through the New Hire Portal prior to their official start date.

The New Hire Portal is broken out into different sections and each section corresponds to the hardcopy forms that new employees previously filled out and provide to the Board during or after the first day of new employee orientation (NEO). Thus, the information collection involves a new hire electronically providing this personnel information and filling out the applicable sections of the New Hire Portal before their first day of orientation. The sections of the portal that each new hire is asked to complete electronically depends upon the type of position that the new hire has been offered at the Board.

Legal authorization and confidentiality: The New Hire Information Collection is authorized pursuant to sections 10(3), 10(4), 11(l), and 11(q) of the Federal Reserve Act, which provide the Board broad authority over employment of staff and security of its building.¹ In addition, Executive Order 9397 (Nov. 22, 1943) authorizes Federal agencies to use an individual's social security number to identify individuals in agency records.

Providing information collected as part of the New Hire Information Collection is voluntary. However, if certain information requested as part of the New Hire Information Collection is not provided by the new hire, the hiring process cannot be completed.²

¹ 12 U.S.C. 243, 244, 248(l), and 248(q).

² The voluntary provision of the following information is optional and is not required to complete the hiring process: Education information (e.g., name of educational institution, major, degree, year of graduation), race, ethnicity, and the identity of and relationship to any relatives who are also employed at the Board. Although a new hire is required to provide the name and contact information of one "primary" emergency contact, providing a "second" emergency contact is optional and is not required to complete the hiring process. A new hire can also voluntarily provide an alternative mailing address, if it is different from his or her current address. Lastly, although not required to complete the hiring process, information on dependents is required to obtain certain benefits
