Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that agency receives on or before December 6, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION: This information collection request supports the Temporary Rule: Exercise of Time-Limited Authority to Increase the Fiscal Year 2021 Numerical Limitation for the H–2B Temporary Nonagricultural Worker Program and Portability Flexibility for H–2B Workers Seeking to Change Employers, promulgated by the Department of Labor and the Department of Homeland Security

(DHS). The regulatory requirements are codified at 8 CFR part 214 and 20 CFR part 655. The ICR originally included a form, Attestation for Employers Seeking to Employ H–2B Nonimmigrant Workers under Section 105 of Division O of the Further Consolidated Appropriations Act, 2021, Form ETA–9142–B–CAA–4 (Form ETA–9142–B–CAA–4). The Form ETA–9142–B–CAA–4 is no longer in use as the supplemental cap was reached on August 13, 2021, as announced by DHS on August 19, 2021; thus employers no longer need to complete the attestation for submission to DHS. As a result, the only remaining requirement for participating H–2B employers is to comply with record keeping requirements. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on May 25, 2021 (86 FR 28198).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
