III. Proceedings To Determine Whether To Approve or Disapprove SR–NYSEArca–2021–68 and Grounds for Disapproval Under Consideration

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Act⁸⁷ to determine whether the proposed rule change should be approved or disapproved. Institution of such proceedings is appropriate at this time in view of the legal and policy issues raised by the proposed rule change. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved. Rather, as described below, the Commission seeks and encourages interested persons to provide comments on the proposed rule change.

Pursuant to Section 19(b)(2)(B) of the Act,⁸⁸ the Commission is providing notice of the grounds for disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis of the proposed rule change's consistency with Section 6(b)(5) of the Act,⁸⁹ which requires, among other things, that the rules of a national securities exchange be "designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, . . . to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest,"⁹⁰ and not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.⁹¹

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their data, views, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule change is consistent with Section 6(b)(5) or any other provisions

of the Act, or rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of data, views, and arguments, the Commission will consider, pursuant to Rule 19b–4 under the Act,⁹² any request for an opportunity to make an oral presentation.⁹³

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule change should be approved or disapproved by November 26, 2021. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by December 9, 2021. The Commission asks that commenters address the sufficiency and merit of the Exchange's statements in support of the proposal, in addition to any other issues raised by the proposed rule change raised under the Act.
