

electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable .pdf). Participants in the proceeding should familiarize themselves with the Commission's *ex parte* rules. The Administrator is exempt from the *ex parte* requirements. This exemption is necessary to allow the Administrator to engage in the frequent and close communications with Commission staff needed to exercise their administrative functions efficiently.

10. *People with Disabilities.* To request materials in accessible formats for people with disabilities (Braille, large print, electronic files, audio format), send email to fcc504@fcc.gov or call the Consumer and Governmental Affairs Bureau at 202-418-0530 (voice).

11. *Additional Information.* For further information regarding the Public Notice, please contact Karen Schroeder, Associate Division Chief, Consumer Policy Division, Consumer and Governmental Affairs Bureau at (202) 418-0654 or via email at Karen.Schroeder@fcc.gov.

12. *Applicability Date.* Good cause exists for making the interim usage charges in this document applicable upon publication of this document in the **Federal Register**, except as to those who have actual notice of the interim usage charges and choose to purchase a subscription for the Database prior to publication.

13. The Database was available for use on November 1, 2021. Providing a 30-day period after **Federal Register** publication before the interim usage charges in this document become applicable isn't necessary because the Database is now available. There is good cause to make these usage charges applicable upon **Federal Register** publication for the Administrator to collect subscription payments. Additionally, these interim usage charges became effective immediately for Database users who have actual notice of the charges and have purchased a subscription to the Database prior to **Federal Register** publication. For these reasons, and because participation in the RND is voluntary, there is good cause, pursuant to section 553(d)(3) of the Administrative Procedure Act, to make the interim usage charges in this document applicable upon publication in the **Federal Register**, except as to those parties with actual notice.

[GSAR-TA-2022-01; Docket No. GSA-GSAR-2021-0025; Sequence No. 1]

General Services Administration Acquisition Regulation; Personal Identity Verification Requirements Clarification; Correction

AGENCY: Office of Acquisition Policy, General Services Administration (GSA).

ACTION: Final rule; correction.

SUMMARY: The General Services Administration (GSA) is issuing this final rule to amend the General Services Administration Acquisition Regulation (GSAR) to make a needed technical amendment. This technical amendment is to remove regulatory text regarding contract administration for exercising options that was incorrectly addressed in previous rulemaking.

DATES: Effective: November 5, 2021.

FOR FURTHER INFORMATION CONTACT: Ms. Vernita L. Misidor, Procurement Analyst, at 202-357-9681 or email at gsarpolicy@gsa.gov for clarification of content. For information pertaining to status or publication schedules, contact the Regulatory Secretariat Division at 202-501-4755. Please cite GSAR-TA-2022-01.

SUPPLEMENTARY INFORMATION: This final rule amends the General Services Administration Acquisition Regulation (GSAR) to make needed technical amendments. Following internal procurement management reviews, GSA identified the need to improve certain credentialing administration processes for contractors. As a result, GSA amended the GSAR through GSAR Case 2020-G525 to clarify the personal identity verification requirements (86 FR 28499). Under this rule, language regarding contract administration for options was also removed from regulation as the language speaks to internal operating procedures. However, the amendatory instructions for the options language was noted incorrectly in the rule. This technical amendment corrects that mistake and removes section 517.207.
