[Docket No. FD 36546]

325 South Route 31 Railroad, LLC—Operation Exemption—Tracks of 325 South Route 31, LLC in Kendall County, Ill.

325 South Route 31 Railroad, LLC (SRRR), a noncarrier, has filed a verified notice of exemption pursuant to 49 CFR

²⁶ Applicants are not requesting and the staff is not providing any relief for transaction fees received in connection with any Co-Investment Transaction.

1150.31 to operate approximately 11,245 feet of track in Kendall County, Ill. (the Line), owned by its parent company, 325 South Route 31, LLC (SR), also a noncarrier. The Line is on a 350-acre industrial site located approximately 40 miles west of Chicago, Ill. (the Site). The Line has no mileposts. According to SRRR, no common carrier services are currently being offered on the Line.

According to the verified notice, SRRR will enter into an agreement with SR that will allow SRRR the rights to lease, operate, and maintain the Line.¹ SRRR states that it intends to rehabilitate some of the existing tracks prior to commencing rail service operations on the Line. SRRR states that, as the Site is being developed and as industries locate on the Line in the short term, a third party will provide switching operations on the Line by contract.² SRRR states that it plans to close the transaction on or after the effective date of this exemption.

SRRR states that the proposed operation of the Line does not involve any provision or agreement that would limit future interchange on the Line with a third-party connecting carrier. SRRR certifies that its projected annual revenues are not expected to exceed \$5 million or exceed the level that would qualify it as a Class III rail carrier.

The earliest this transaction may be consummated is November 21, 2021, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than November 12, 2021.

All pleadings, referring to Docket No. FD 36546, should be filed with the Surface Transportation Board via e-filing on the Board's website. In addition, a copy of each pleading must be served on SRRR's representative, Thomas W. Wilcox, Law Office of Thomas W. Wilcox, LLC, 1629 K Street NW, Suite 300, Washington, DC 20006.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Notice of request to release airport property for land disposal

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of request to rule on release of airport property for land disposal at the Ankeny Regional Airport (IKV), Ankeny, Iowa.

SUMMARY: The FAA proposes to rule and invites public comment on the release of land at the Ankeny Regional Airport (IKV), Ankeny, Iowa, under the provisions of 49 U.S.C. 47107(h)(2).

DATES: Comments must be received on or before December 6, 2021.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Amy J. Walter, Airports Land Specialist, Federal Aviation Administration, Airports Division, ACE-620G, 901 Locust, Room 364, Kansas City, MO 64106.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to: Amy S. Beattie, Brick Gentry PC, Attorney for the Polk County Aviation Authority, 6701 Westown Parkway, Suite 100, West Des Moines, Iowa 50266, (515) 274-1450.

FOR FURTHER INFORMATION CONTACT: Amy J. Walter, Airports Land Specialist, Federal Aviation Administration, Airports Division, ACE-620G, 901 Locust, Room 364, Kansas City, MO 64106, (816) 329-2603, amy.walter@faa.gov. The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release one tract of land consisting of approximately 16.06 acres of airport property at the Ankeny Regional Airport (IKV) under the provisions of 49 U.S.C. 47107(h)(2). On October 28, 2021, the

Attorney for the Polk County Aviation Authority requested a release from the FAA to sell a tract of land, 16.06 acres. Buyer, ATI Capital, LLC, will use the land for development. On November 1, 2021, the FAA determined the request to release property at the Ankeny Regional Airport (IKV) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this notice.

The following is a brief overview of the request:

The Ankeny Regional Airport (IKV) is proposing the release of airport property containing 16.06 acres, more or less. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at the Ankeny Regional Airport (IKV) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances in order to dispose of the land. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation use.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Ankeny City Hall.

Issued in Kansas City, MO, on November 1, 2021.

James A. Johnson,

Director, FAA Central Region, Airports Division.
