G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY PF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 46 U.S.C. 70041; 33 CFR 1.05–1.

■ 2. Add § 100.T07–0775 to read as follows:

§ 100.T07–0775 Jurakan Triathlon, Isleta San Juan, San Juan, Puerto Rico.

(a) *Regulated area.* The regulations in this section apply to the following area: Waters around Isleta San Juan including certain waters of San Juan Bay, from surface to bottom, encompassed by a line connecting the following points beginning at 18°27'34.2" N, 66°5'23.75" W; thence north-east to 18°27'46.22" N, 66°4'59.95" W; thence north to 18°28'14.05" N, 66°5'7.69" W; thence west to 18°28'13.62" N, 66°5'52.8" W; keep west to 18°28'21.54" N, 66°7'32.74" W; thence south-east to 18°27'29.38" N, 66°6'59.22" W; thence north-east to 18°27'40.7" N, 66°6'18.43" W; and along the end of San Antonio Channel back to the beginning point at San Juan Bay Marina, completing the SUP race circuit. These coordinates are based on North American Datum 1983.

(b) *Definitions.* As used in this section—

Designated representative means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port San Juan (COTP) in the enforcement of the regulations in this section.

33 CFR Part 165

[Docket Number USCG–2021–0495]

RIN 1625–AA00

Safety Zone; Ohio River, Olmsted, IL

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on a portion of the Ohio River in Olmsted, IL. This action is necessary to protect personnel, vessels, and the marine environment from potential hazards created by the demolition of Lock and Dam 53 involving explosives. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Ohio Valley or a designated representative.

DATES: This rule is effective December 2, 2021, through December 1, 2022.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2021–0495 in the search box and click

II. Background Information and Regulatory History

The purpose of this rule is to ensure the safety of vessels on the navigable waters of the Ohio River during the demolition of Lock and Dam 53. During this time, a temporary safety zone on the Ohio River will be necessary to protect persons, property, and infrastructure from potential damage and safety hazards associated with the demolition of Lock and Dam 53. In response, on July 19, 2021, the Coast Guard published an interim final rule (IFR) titled “Safety Zone; Ohio River, Olmsted, IL” (86 FR 37911). There we stated why we issued the interim final rule and invited comments on our regulatory action related to the demolition of the Lock and Dam 53 on the Ohio River. During the comment period that ended August 18, 2021, we received no comments.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Sector Ohio Valley (COTP) has determined that potential hazards associated with demolition of Lock and Dam 53 involving explosives will be a safety concern for anyone on the Ohio River from mile marker (MM) 961 to MM 964.6. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone before, during, and after the demolition of Lock and Dam 53 involving explosives.

The Coast Guard is making this rule effective sooner than 30 days after publication pursuant to authority under the Administrative Procedure Act (APA), specifically 5 U.S.C. 553(d)(3). This provision authorizes an agency to make a rule effective sooner than 30 days after publication when the agency

for good cause finds that the delay is “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(d)(3), the Coast Guard finds that delaying the effective date of this rule would be contrary to public interest because this safety zone must become effective on December 2, 2021, to ensure there is a continuous safety zone in place to protect vessels and persons from the safety hazards associated with the continued dam demolition on the Ohio River.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our IFR published July 19, 2021. There are no changes in the regulatory text of this rule from the IFR.

This rule establishes a temporary safety zone that covers all navigable waters of the Ohio River from MM 961 to MM 964.6. This rule will be enforced every day at midday from December 2, 2021, through December 1, 2022 as necessary to facilitate safe demolition of Lock and Dam 53. Broadcast Notices to Mariners (BNM) will be issued six hours prior to the start of blasting to notify the public that the safety zone is being enforced. Vessels will be able to transit the safety zone when explosives are not being detonated. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative during demolition operations involving explosives.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration, and time-of-day of the safety zone. This safety zone will only be enforced daily for a short period of time and only impact a small portion of the Ohio River. Additionally, this safety zone will

only be enforced in daytime hours during the demolition operations of the Lock and Dam 53. Vessels may seek permission to transit safety through the area from the COTP or a designated representative.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received 0 comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a temporary safety zone for the demolition of Lock and Dam 53 involving explosives on the Ohio River in Olmsted, IL. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions

on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.2.

■ 2. Add § 165.T08–0495 to read as follows:

§ 165.T08–0495 Safety Zone; Ohio River, Olmsted, IL.

(a) *Location.* The safety zone covers all navigable waters of the Ohio River from mile marker (MM) 961 to MM 964.6.

(b) *Effective period.* This section is effective December 2, 2021, through December 1, 2022.

(c) *Enforcement period.* This section will be enforced daily at midday from December 2, 2021, through December 1, 2022, as necessary to facilitate safe demolition operations.

(d) *Regulations.* (1) In accordance with the general regulations in § 165.23, entry of vessels or persons into the zone is prohibited unless specifically authorized by the Captain of the Port Sector Ohio Valley (COTP) or designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard (USCG) assigned to units under the operational control of USCG Sector Ohio Valley.

(2) Vessels requiring entry into the safety zone must request permission from the COTP or a designated representative. To seek entry into the safety zone, contact the COTP or the COTP's representative by telephone at 502–779–5422 or on VHF–FM channel 16.

(3) Persons and vessels permitted to enter the safety zone must transit at their slowest safe speed and comply with all lawful directions issued by the COTP or the designated representative.

(e) *Information broadcasts.* The COTP or a designated representative will inform the public when the safety zone is being enforced via a Broadcast Notices to Mariners.

Dated: November 3, 2021.

A.M. Beach,

Captain, U.S. Coast Guard, Captain of the Port Sector Ohio Valley.

40 CFR Part 16

[EPA–HQ–OECA–2021–0552; FRL–8948–02–OMS]

Privacy Act Regulations for EPA–79

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking direct final action to revise the Agency's Privacy Act regulations to exempt a new system of records, EPA–79, the NEIC Master Tracking System, from certain requirements of the Privacy Act because records in EPA's National Enforcement Investigation Center (NEIC) Master Tracking System are maintained for use in civil and criminal actions.

DATES: This rule is effective on January 11, 2022 without further notice unless EPA receives adverse comment by December 13, 2021. If EPA receives adverse comment, it will publish a timely withdrawal in the **Federal Register** informing the public that the rule will not take effect.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–HQ–OECA–2021–0552, at <https://www.regulations.gov/>. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from *Regulations.gov*. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include

discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>.

SUPPLEMENTARY INFORMATION:

I. Why is EPA using a direct final rule?

The EPA is publishing this rule without a prior proposed rule because we view this as a noncontroversial action and anticipate no adverse comment. However, in the “Proposed Rules” section of this issue of the **Federal Register**, we are publishing a separate document that will serve as the proposed rule to exempt a new system of records, EPA–79, the NEIC Master Tracking System, from certain requirements of the Privacy Act if adverse comments are received on this direct final rule. We will not institute a second comment period on this action. Any parties interested in commenting must do so at this time. For further information about commenting on this rule, see the **ADDRESSES** section of this document.

If EPA receives adverse comment, we will publish a timely withdrawal in the **Federal Register** informing the public that this direct final rule will not take effect. We would address all public comments in any subsequent final rule based on the proposed rule.

II. General Information

The EPA published a Privacy Act system of records notice for information collected using the NEIC Master Tracking System (86 FR 60033, October 29, 2021). The system supports and documents investigations of persons or organizations alleged to have violated any Federal environmental statute or regulation or, pursuant to a cooperative agreement with a state, local, or tribal authority, an environmental statute or regulation of such authority. NEIC
