Records in this system of records are stored electronically or on paper in secure facilities. Electronic records are stored on a secure network. ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

The system of records is stored in buildings with doors that are locked during and after business hours. Visitors to the facility must register with security guards and must be accompanied by Federal personnel at all times. Records are stored in a locked room and/or a locked file cabinet. Electronic records containing Privacy Act information are protected by a user identification/password. The user identification/password is issued to those individuals who have a need to access the records for the performance of their official duties and who have appropriate clearances or permissions. Technical security safeguards include restrictions on computer access to authorized individuals who have a legitimate need to know the information; required use of strong passwords that are frequently changed; multi-factor authentication for remote access; use of encryption for certain data types and transfers; firewalls and intrusion detection applications; and regular review of security procedures and best practices to enhance security. Physical safeguards include restrictions on building access to authorized individuals and storage of records in locked offices and filing cabinets.

All electronic information disseminated by the Department adheres to the standards set out in Appendix III, Security of Automated Information Resources, OMB Circular A–130; the Computer Security Act (15 U.S.C. 278g–3 and 278g–4); and the Government Information Security Reform Act, Public Law 106–398; and follows NIST SP 800–18, Guide for Developing Security Plans for Federal Information Systems; NIST SP 800–26, Security Self-Assessment Guide for Information Technology Systems; and NIST SP 800–53, Recommended

Certain Cased Pencils From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2019-2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) has completed its administrative review of the antidumping duty order on certain cased pencils (cased pencils) from the People's Republic of China (China) for the period of review (POR) December 1, 2019, through November 30, 2020. We continue to find that Wah Yuen Stationery Co. Ltd. and Shandong Wah Yuen Stationery Co. Ltd. (collectively, Wah Yuen) had no shipments of cased pencils during the POR. We also continue to find that Tianjin Tonghe Stationery Co., Ltd. (Tianjin Tonghe) and Ningbo Homey Union Co., Ltd. (Ningbo Homey) are not eligible for a separate rate and should be treated as part of the China-wide entity.

DATES: Applicable November 18, 2021.

SUPPLEMENTARY INFORMATION:

Background

On September 7, 2021, Commerce published the *Preliminary Results* in the **Federal Register**.¹ We invited interested parties to comment on the *Preliminary Results*; however, no interested parties

submitted comments. Accordingly, we made no changes to the *Preliminary Results*.

Scope of the Order²

The merchandise covered by the *Order* is certain cased pencils of any shape or dimension (except as described below) which are writing and/or drawing instruments that feature cores of graphite or other materials, encased in wood and/or man-made materials, whether or not decorated and whether or not tipped (*e.g.*, with erasers, etc.) in any fashion, and either sharpened or unsharpened. The pencils subject to the *Order* are currently classifiable under subheading 9609.10.00 of the Harmonized Tariff Schedule of the United States (HTSUS). Specifically excluded from the scope of the *Order* are mechanical pencils, cosmetic pencils, pens, non-cased crayons (wax), pastels, charcoals, chalks, and pencils produced under U.S. patent number 6,217,242, from paper infused with scents by the means covered in the above-referenced patent, thereby having odors distinct from those that may emanate from pencils lacking the scent infusion. Also excluded from the scope of the *Order* are pencils with all of the following physical characteristics: (1) Length: 13.5 or more inches; (2) sheath diameter: not less than one-and-one quarter inches at any point (before sharpening); and (3) core length: not more than 15 percent of the length of the pencil.

In addition, pencils with all of the following physical characteristics are excluded from the scope of the *Order*: Novelty jumbo pencils that are octagonal in shape, approximately ten inches long, one inch in diameter before sharpening, and three-and-one eighth inches in circumference, composed of turned wood encasing one-and-one half inches of sharpened lead on one end and a rubber eraser on the other end.

Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise covered by the scope of the *Order* is dispositive.

Final Determination of No Shipments

In the *Preliminary Results*, Commerce determined that Wah Yuen³ had no

shipments of cased pencils during the POR, based on our analysis of U.S. Customs and Border Protection (CBP) entry documentation and Wah Yuen's questionnaire responses.⁴ We received no comments on our preliminary finding. As there is no information on the record that calls into question this preliminary finding, we continue to find in the final results of this review that Wah Yuen had no shipments of subject merchandise during the POR.

China-Wide Entity

With the exception of Wah Yuen, we find all other companies for which a review was requested to be part of the China-wide entity, because they did not file no-shipment statements, separate rate applications, or separate rate certifications. Accordingly, Tianjin Tonghe and Ningbo Homey are part of the China-wide entity. Because no party requested a review of the China-wide entity, and Commerce no longer considers the China-wide entity as an exporter, conditionally subject to administrative reviews, we did not conduct a review of the China-wide entity.⁵ The rate previously established for the China-wide entity is 114.90 percent and is not subject to change as a result of this review.⁶

Assessment Rates

Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with section 751(a)(2)(C) of the Tariff Act of 1930, as amended, (the Act) and 19 CFR 351.212(b). Because we determined that Tianjin Tonghe and Ningbo Homey are not eligible for a separate rate and are part of the China-wide entity, we intend to instruct CBP to apply an *ad valorem* assessment rate of 114.90 percent (*i.e.*,
