

need to access the information in the performance of their duties or activities.

9. To the National Archives and Records Administration in records management inspections and its role as Archivist, as permitted by 44 U.S.C. 2904 and 2906.

10. To the Merit Systems Protection Board or the Board's Office of the Special Counsel, when relevant information is requested in connection with appeals, special studies of the civil service and other merit systems, review of Office of Personnel Management (OPM) rules and regulations, and investigations of alleged or possible prohibited personnel practices.

11. To appropriate Federal, State, or local agency responsible for investigating, prosecuting, enforcing, or implementing a statute, rule, regulation, or order, where the record indicates a violation or potential violation of civil or criminal law, rule, regulation, order.

12. To serve as a data source for OPM or Government Accountability Office (GAO) during the course of on-site inspections or audits.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Paper (assorted documents) or electronic media. Data center buildings are guarded and monitored by security personnel, cameras, ID checks, and other physical security measures. Physical access to the server rooms is limited to authorized personnel only. Records are maintained in lockable file cabinets in a lockable room with access limited to those employees whose official duties require access; servers are stored in secured facilities in cipher locked server rooms. Computer data is secured by password. The system is secured with the safeguards required by FedRAMP and NIST SP 800-53.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records may be retrieved by employee's name or employee ID number.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records are retained under the National Archives and Records Administration's General Records Schedule 2.3. Destroy 3 years after being superseded, but longer retention is authorized if required for business use. Destroy 3 years after employee separation from the agency or all matters are concluded, whichever is later, but longer retention is authorized if required for business use.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

All FERC employees and contractors with authorized access have undergone a thorough background security investigation. Data access is restricted to agency personnel or contractors whose responsibilities require access. Access to electronic records is controlled by "User ID" and password combination and/or other network access or security controls (e.g., firewalls). The system is secured with the safeguards required by FedRAMP and NIST SP 800-53. Physical access to FERC is controlled by security guards and admission is limited to those individuals possessing a valid identification card or individuals under proper escort.
