SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-93584; File No. SR-MRX-2021-11]

Self-Regulatory Organizations; Nasdaq MRX, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend FINRA Fees

November 16, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 5, 2021, Nasdaq MRX, LLC ("MRX" or "Exchange") filed with the Securities

and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend MRX's Pricing Schedule at Options 7, Section 5, Other Options Fees and Rebates, to reflect adjustments to FINRA Registration Fees. Additionally, this rule change adds Continuing Education Fees.

While the changes proposed herein are effective upon filing, the Exchange has designated the amendments become operative on January 2, 2022.³

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/mrx/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

This proposal amends MRX's Pricing Schedule at Options 7, Section 5, Other Options Fees and Rebates, to reflect adjustments to FINRA Registration Fees.⁴ Additionally, this rule change adds Continuing Education Fees. The FINRA fees are collected and retained

³ See Securities Exchange Act Release No. 90176 (October 14, 2020), 85 FR 66592 (October 20, 2020) (SR-FINRA-2020-032) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Adjust FINRA Fees To Provide Sustainable Funding for FINRA's Regulatory Mission).

⁴ FINRA operates Web CRD, the central licensing and registration system for the U.S. securities industry. FINRA uses Web CRD to maintain the qualification, employment and disciplinary histories of registered associated persons of broker-dealers.

by FINRA via Web CRD for the registration of employees of MRX members that are not FINRA members ("Non-FINRA members"). The Exchange is merely listing these fees on its Pricing Schedule. The Exchange does not collect or retain these fees.

Today, MRX Options 7, Section 5D, provides a list of FINRA Web CRD Fees, Fingerprint Processing Fees, and Continuing Education Fees. The Exchange proposes to amend the introductory paragraph to add a sentence to make clear that FINRA collects the fees listed within Options 7, Section 5D on behalf of the Exchange. The fees listed within Options 7, Section 5D reflect fees set by FINRA.

Specifically, with respect to the General Registration Fees, the Exchange proposes to increase the \$100 fee to \$125 for each initial Form U4 filed for the registration of a representative or principal. This amendment is made in accordance with a recent FINRA rule change to adjust to its fees.⁵

The Exchange also proposes to add Continuing Education Fees to reflect current fees assessed by FINRA. The Exchange proposes to provide an introductory paragraph which states, "The Continuing Education Fee will be assessed as to each individual who is required to complete the Regulatory Element of the Continuing Education Requirements pursuant to Exchange General 4, Section 1240. This fee is paid directly to FINRA." Additionally, the Exchange proposes to add the following rule text, "\$100.00 (\$55.00 if the Continuing Education is Web-based) for each individual who is required to complete the S101 or S201." This proposed rule text reflects FINRA's current S101 and S201 registration fees.⁶ This amendment will make clear the current Continuing Education Fees that FINRA assesses today.

The FINRA Web CRD Fees are user-based and there is no distinction in the cost incurred by FINRA if the user is a FINRA member or a Non-FINRA member. Accordingly, the proposed fees mirror those currently assessed by FINRA.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b)

⁵ *Id.* FINRA noted in its rule change that it was adjusting its fees to provide sustainable funding for FINRA's regulatory mission.

⁶ See Securities Exchange Act Release No. 75581 (July 31, 2015), 80 FR 47018 (August 6, 2015) (SR-FINRA-2015-015) (Order Approving a Proposed Rule Change to Provide a Web-based Delivery Method for Completing the Regulatory Element of the Continuing Education Requirements).

of the Act,⁷ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁸ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes it is reasonable to increase the \$100 fee for each initial Form U4 filed for the registration of a representative or principal to \$125 in accordance with an adjustment to FINRA's fees.⁹ The Exchange's rule text will reflect the current registration rate that will be assessed by FINRA as of January 2, 2022. Additionally, making clear that FINRA, on behalf of the Exchange, will bill and collect these fees will bring greater transparency to its fees. Also, adding Continuing Education Fees to reflect the current fee of \$100.00 for each individual who is required to complete the S101 or S201 and \$55.00 if the Continuing Education is Web-based will bring greater transparency to the Continuing Education fees currently assessed by FINRA. Finally, referencing the rule which governs the Regulatory Element of the Continuing Education Requirements and, noting that the fee is paid directly to FINRA, will provide more information to Members regarding the fees for Continuing Education. The proposed fees are identical to those adopted by FINRA for use of Web CRD for disclosure and the registration of FINRA members and their associated persons. These costs are borne by FINRA when a Non-FINRA member uses Web CRD.

The Exchange believes that its proposal to increase the \$100 fee for each initial Form U4 filed for the registration of a representative or principal to \$125 is equitable and not unfairly discriminatory as the amendment will reflect the current fee that will be assessed by FINRA to all Members who require Form U4 filings as of January 2, 2022. Additionally, reflecting the current Continuing Education Fees for the S101 or S201 is equitable and not unfairly discriminatory as FINRA currently assesses these rates to all Members that are required to have those registrations. Finally, making clear that FINRA, on behalf of the Exchange, will bill and collect these fees and referencing the rule which governs the Regulatory Element of the Continuing Education Requirements will bring greater

transparency to FINRA's fees. Further, the proposal is also equitable and not unfairly discriminatory because the Exchange will not be collecting or retaining these fees, therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that this proposal creates an unnecessary or inappropriate inter-market burden on competition as FINRA's fees apply to all market participants. Additionally, the Exchange does not believe that this proposal creates an unnecessary or inappropriate intra-market burden on competition as the increased fee for each initial Form U4 filed for the registration of a representative or principal will be assessed by FINRA to all Members who require Form U4 filings as of January 2, 2022. Also, reflecting the current Continuing Education Fees for the S101 or S201 does not impose an undue burden on competition as FINRA currently assesses these rates to all Members that are required to have those registrations. Finally, making clear that FINRA, on behalf of the Exchange, will bill and collect these fees and referencing the rule which governs the Regulatory Element of the Continuing Education Requirements will bring greater transparency to FINRA's fees. Further, the proposal does not impose an undue burden on competition because the Exchange will not be collecting or retaining these fees, therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may

temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

[Release No. 34–93590; File No. SR–NYSEArca–2021–96]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Update the Procedures for the Allocation of Cabinets and Power to Its Colocated Users

November 16, 2021.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that, on November 3, 2021, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to update the procedures for the allocation of cabinets and power to its colocated Users. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change

and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to establish⁴ procedures for the allocation of power to its co-located⁵ Users.⁶

In December 2020, the Exchange established procedures for the allocation of cabinets in colocation should it become needed.⁷ In April 2021, the Exchange added procedures for the allocation of power in colocation (together with the cabinet procedures, the “Existing Procedures”).⁸

Proposed Changes to the Waitlist Procedures

Pursuant to the Existing Procedures, a Combined Waitlist is currently in effect. To be placed on the Combined Waitlist, a User must submit an order that

⁴ The Commission notes that the Exchange proposes to update previously established procedures for allocation of cabinets and power to its colocated Users.

⁵ The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission (“Commission”) in 2010. See Securities Exchange Act Release No. 63275 (November 8, 2010), 75 FR 70048 (November 16, 2010) (SR–NYSEArca–2010–100).

⁶ For purposes of the Exchange’s co-location services, a “User” means any market participant that requests to receive co-location services directly from the Exchange. See Securities Exchange Act Release No. 76010 (September 29, 2015), 80 FR 60197 (October 5, 2015) (SR–NYSEArca–2015–82). As specified in the NYSE Arca Options Fees and Charges and the NYSE Arca Equities Fees and Charges (together, the “Fee Schedules”), a User that incurs co-location fees for a particular co-location service pursuant thereto would not be subject to co-location fees for the same co-location service charged by the Exchange’s affiliates New York Stock Exchange LLC, NYSE American LLC, NYSE Chicago, Inc., and NYSE National, Inc. (together, the “Affiliate SROs”). Each Affiliate SRO has submitted substantially the same proposed rule change to propose the changes described herein. See SR–NYSE–2021–66; SR–NYSEAMER–2021–42; SR–NYSECHX–2021–16; SR–NYSESTAT–2021–22.

⁷ See Securities Exchange Act Release No. 90732 (December 18, 2020), 85 FR 84443 (December 28, 2020) (SR–NYSE–2020–73, SR–NYSEAMER–2020–66, SR–NYSEArca–2020–82, SR–NYSECHX–2020–26, and SR–NYSESTAT–2020–28).

⁸ See Securities Exchange Act Release No. 91515 (April 8, 2021), 86 FR 19674 (April 14, 2021) (SR–NYSE–2021–12, SR–NYSEAMER–2021–08, SR–NYSESTAT–2021–03, SR–NYSEArca–2021–11, and SR–NYSECHX–2021–02). The Existing Procedures are set forth in General Notes 7 and 8 under “Co-location Fees” in the Fee Schedules.

complies with the Combined Limits—that is, the order must be for no more than 32 kW, and no more than four dedicated cabinets with standard power allocations of 4 kW or 8 kW as part of the 32 kW total.⁹

The Existing Procedures provide that “[a] User may only have one order for new cabinets and/or additional power on the Combined Waitlist at a time”¹⁰ The Exchange has become aware that some Users are attempting to circumvent this provision by submitting additional orders in the names of entities affiliated with the User.¹¹

The Exchange believes that such actions by Users are contrary to the objectives of the Existing Procedures, which were intended to foreclose Users from obtaining a greater portion of the cabinets and power available than the portion defined by the Cabinet Limits and Combined Limits. Such actions by Users could result in a distribution of cabinets and power that is contrary to the intent of the Cabinet Limits and Combined Limits, with Users that are willing to submit multiple orders in the names of their affiliates obtaining more cabinets and power than the Cabinet Limits and Combined Limits allow, to the detriment of other Users seeking to purchase cabinets or power.

To address this issue, the Exchange proposes to amend the Existing Procedures to add to General Note 8(b) that “[w]hile a User is on the Combined Waitlist, no Affiliate of such User may also be on the Combined Waitlist.” The Exchange similarly proposes to amend General Note 8(a), regarding the Cabinet Waitlist, to provide that “[w]hile a User is on the Cabinet Waitlist, no Affiliate of such User may also be on the Cabinet Waitlist.” The term “Affiliate” is already defined in the Co-Location Fees section of the Fee Schedules as follows: “An ‘Affiliate’ of a User is any other User or Hosted Customer that is under 50% or greater common ownership or control of the first User.” This definition of “Affiliate” was introduced in connection with the Exchange’s filing regarding partial cabinet solutions, and the Exchange believes that the

¹¹ For example, a User that wants 64 kW could submit an order for 32 kW to the Combined Waitlist, and then have an affiliated entity submit a second order to the Combined Waitlist for an additional 32 kW. Once the affiliated entity obtained its 32 kW, it could assign the power to the User. As a result, the User would obtain two times more power than the Combined Limit would allow. The Exchange has been informed that at least one User has contemplated utilizing affiliates for this purpose.
