SUPPLEMENTARY INFORMATION:

Funding Opportunity Title: Supportive Services for Veteran Families Program.

Announcement Type: Initial.
Funding Opportunity Number: VA–SSVF–103121.

Catalog of Federal Domestic Assistance Number: 64.033, VA Supportive Services for Veteran Families Program.

I. Funding Opportunity Description

A. Purpose: The SSVF Program's purpose is to provide supportive services grants to private non-profit organizations and consumer cooperatives, who will coordinate or provide supportive services to very low-income veteran families who:

(i) Are residing in permanent housing and at risk of becoming homeless; (ii) are homeless and scheduled to become residents of permanent housing within a specified time period; or (iii) after exiting permanent housing within a specified time period, are seeking other housing that is responsive to such very low-income veteran family's needs and preferences. SSVF prioritizes the delivery of rapid re-housing services to homeless veteran households.

Rapid re-housing is an intervention designed to help individuals and families quickly exit homelessness, return to housing in the community, and avoid homelessness again in the near term. The core components of a rapid re-housing program are housing identification, move-in and rent financial assistance, and rapid re-housing case management and services. These core components represent the minimum that a program must be providing to households to be considered a rapid re-housing program, but do not provide guidance for what constitutes an effective rapid re-housing program. Applicants should familiarize themselves with the Homelessness Prevention and Rapid Re-housing Best Practice Standards found at the following link: https://www.va.gov/homeless/ssvf/?page=/ssvf_university/fidelity_tool_ssrf_standards.

B. Funding Priorities: The principal goal for this NOFO is to provide support to those applicants who demonstrate the greatest capacity to end homelessness among veterans or, in communities that have already met U.S. Interagency Council on Homelessness (USICH) Federal Criteria and Benchmarks, sustain the gains made in ending homelessness among veterans. Priority will be given to grantees who can demonstrate adoption of evidence-based practices in their application. Under Priority 1, VA will provide funding to those existing grantees with 3-year accreditation from the Commission on Accreditation of Rehabilitation Facilities (CARF) in Employment and Community Services: Rapid Rehousing and Homeless Prevention standards, a 4-year accreditation in Housing Stabilization and Community Living Services from the Council on Accreditation (COA), or a 3-year accreditation in The Joint Commission's (JC) Behavioral Health Care: Housing Support Services Standards. Priority 2 includes existing grantees not included in Priority 1 with annual awards, seeking to renew their grants. Priority 3 applications will be accepted from new applicants in the communities described in Section II.B.
