SUPPLEMENTARY INFORMATION:

On September 28, 2021, NMFS proposed a regulation under the MMPA to establish mandatory time-area closures of Hawaiian spinner dolphins' essential daytime habitats at five selected sites in the Main Hawaiian Islands. During designated times, unless subject to an exception as described in the proposed rule, these regulatory measures would prohibit any person or vessel, on or below the surface, to enter, cause to enter, solicit to enter, or remain within any of the five time-area closures, for the purpose of preventing take of Hawaiian spinner dolphins in areas identified as important essential daytime habitats for spinner dolphins. The proposed mandatory time-area closures would occur from 6 a.m. to 3 p.m. daily in areas of Kealakekua Bay, Hōnaunau Bay, Kauhakō Bay (Ho'okena), and Makako Bay on Hawai'i Island, and La Perouse Bay on Maui.

The proposed rule and other materials prepared in support of this action are available at: <https://www.fisheries.noaa.gov/action/proposed-rule-establish-time-area-closures-hawaiian-spinner-dolphins-essential-habitats-main>. We are accepting public comments for the proposed rule through December 27, 2021. Public comments can be submitted as described under **ADDRESSES**.

Public Hearings

The public hearing will be conducted online as Webex meeting, as specified in **ADDRESSES** above. If you do not have internet access, you may join by phone at the numbers listed in **ADDRESSES** above. The hearing will begin with a brief presentation by NMFS that gives an overview of the proposed rule to

establish time-area closures at Hawaiian spinner dolphins' essential day time habitat. After the presentation but before public comments, there will be a question and answer session during which members of the public may ask NMFS staff questions about the proposed rule. Following the question and answer session, members of the public will have the opportunity to provide oral comments regarding proposed time-area closures. Oral comments may be limited to two minutes or less. Members of the public will also have the opportunity to submit written comments at the hearings. Written comments may also be submitted at any time during the relevant public comment period as described under **ADDRESSES**. All oral comments will be recorded (audio only), transcribed, and added to the public comment record for this proposed rule.
