FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments, submit comments in writing, or request more information on the proposed project, contact: Taunton Paine, Director, Division of Scientific Data Sharing Policy, Office of Science Policy, NIH, 6705 Rockledge Dr., Suite 631, Bethesda, MD 20892, or call non-toll free number (301) 496-9838, or Email your request, including your address to: SciencePolicy@mail.nih.gov. Formal requests for additional plans and instruments must be requested in writing.

SUPPLEMENTARY INFORMATION: This proposed information collection was previously published in the Federal Register on September 7, 2021, page 50140 (86 FR 50140) and allowed 60 days for public comment. No public

comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The Office of the Director (OD), National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below.

Proposed Collection Title: The Genetic Testing Registry, 0925–0651, Expiration Date 11/30/21–EXTENSION, Office of the Director (OD), National Institutes of Health (NIH).

Need and Use of Information Collection: Clinical laboratory tests are available for more than 18,000 genetic conditions. The Genetic Testing Registry (GTR) provides a centralized, online location for test developers, manufacturers, and researchers to voluntarily submit detailed information about the availability and scientific basis of their genetic tests. The GTR is of value to clinicians by providing information about the accuracy, validity, and usefulness of genetic tests. The GTR also highlights evidence gaps where additional research is needed. The GTR now also has tests for microbes like for SARS-CoV-2 to diagnose COVID-19.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 2,299.

## SUPPLEMENTARY INFORMATION:

## Authority

Section 102 of the Maritime Transportation Security Act (MTSA) of 2002 (Pub. L. 107–295) added section 70112 to Title 46 of the U.S. Code, and authorized the Secretary of the Department in which the Coast Guard is operating to establish Area Maritime Security Advisory Committees for any port area of the United States. (See 46 U.S.C. 70116; 46 U.S.C. 70112; 33 CFR 1.05–1, 6.01; Department of Homeland Security Delegation No. 0170.1). The MTSA includes a provision exempting these AMSCs from the Federal Advisory Committee Act (FACA), Public Law 92–436, 86 Stat. 470 (5 U.S.C. app.2).

### San Diego AMSC Mission

The AMSCs assists the Federal Maritime Security Coordinator in the development, review, update, and exercising of the AMS Plan for their area of responsibility. Such matters include, but are not limited to: Identifying critical port infrastructure and operations; Identifying risks (threats, vulnerabilities, and consequences); Determining mitigation strategies and implementation methods; Developing strategies to facilitate the recovery of the MTS after a Transportation Security Incident; Developing and describing the process to continually evaluate overall port security by considering consequences and vulnerabilities, how they may change over time, and what additional mitigation strategies can be applied; and Providing advice to, and assisting the Federal Maritime Security Coordinator in developing and maintaining the Area Maritime Security Plan.

The San Diego Area Maritime Security Committee was chartered by the Commander, Sector San Diego to study and consider issues related to security in the Port of San Diego, in addition to reviewing the proposed Area Maritime Security Plan and serve as a link to communicating threats to waterway users in the Port of San Diego and Southern California, and identifying and quantifying those threats. It serves to protect the Port of San Diego through improved security procedures and communication and as a forum to coordinate security procedures to decrease the vulnerability of resources in the Port of San Diego. It serves as an interface between regulators and industry, and will assist governmental agencies to implement policies and procedures to improve security in the Port of San Diego. Details regarding the specific objectives of the San Diego Maritime Security Committee can be found in the charter.

#### **AMSC Composition**

The composition of an AMSC, to include the San Diego AMSC, is prescribed under 33 CFR 103.305. Pursuant to that regulation, members may be selected from the Federal, Territorial, or Tribal government; the State government and political subdivision of the State; local public

safety, crisis management, and emergency response agencies; law enforcement and security organizations; maritime industry, including labor; other port stakeholders having a special competence in maritime security; and port stakeholders affected by security practices and policies. Members of the AMSC should have at least five years of experience related to maritime or port security operations.

#### AMSC Membership

The San Diego AMSC has fourteen member positions. Members of the AMSC should have at least five years of experience related to maritime or port security operations. We are seeking to fill the following five vacancies with this solicitation:

Vice-Chairperson: The Vice
Chairperson will act as Chairperson in
the absence or incapacity of the
Chairperson, or in the event of a
vacancy in the office of the Chairperson.
The ideal candidate for this position
will have more than ten years of
experience in security and/or
emergency operations management with
a significant amount of time spent
working in the Port of San Diego or
similar operational environments.

Chair and Co-Chairperson (Training and Exercise Subcommittee): This subcommittee assists in the management of the Area Maritime Security Training and Exercise Program requirements. This sub-committee coordinates and promotes training and exercise related activities in support of the San Diego AMSC, and will serve as a forum for the sharing of training and exercise related information with Port of San Diego stakeholders. This subcommittee provides vetting for the development, revision, and approval of revisions of the San Diego Area Maritime Security Plan. The ideal candidates for these positions will have experience in emergency management planning, exercise planning, and filled a role as a training officer for a maritime company or agency working in the Port of San Diego or similar operating environment.

Chair and Co-Chairperson (Preventative Radiological/Nuclear Detection Subcommittee): This subcommittee assists on matters building on the work performed and other matters involving Preventative Radiological/Nuclear Detection (PRND) technology and equipment, sustainment, training, exercises, and operations within the San Diego area. This sub-committee will serve as the primary interface for agencies in the San Diego AMSC region with existing or developing maritime PRND capabilities.
