Methodology

Commerce is conducting this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Constructed export price and export price were calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

Preliminary Results

Commerce preliminarily determines that the following weighted-average dumping margin exists for the period June 18, 2019, through October 31, 2020:

Exporter/producer	Weighted-average dumping margin (percent)
Habich GmbH	0.00

Disclosure and Public Comment

We intend to disclose the calculations performed for these preliminary results of review to interested parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, the content of which is limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.⁵ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a

table of authorities.⁶ Executive summaries should be limited to five pages total, including footnotes.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed request must be received successfully in its entirety by 5:00 p.m. Eastern Time within 30 days of the date of publication of this notice.⁷ Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold a hearing at a time and date to be determined.⁸ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

All submissions to Commerce must be filed using ACCESS⁹ and must be served on interested parties.¹⁰ An electronically filed document must be received successfully in its entirety by ACCESS, by 5:00 p.m. Eastern Time on the date that the document is due. Note that Commerce has modified certain of its requirements for serving documents containing business proprietary information until further notice.¹¹

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b). For any individually examined respondent whose weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review and the respondent reported entered values, we will calculate importer-specific *ad valorem* assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1). Where we do not have

entered values for all U.S. sales to a particular importer, we will calculate an importer-specific per-unit assessment rate on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total quantity of those sales.¹² To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values. Where an importer-specific *ad valorem* assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties in accordance with 19 CFR 351.106(c)(2). If a respondent's weighted-average dumping margin is zero or *de minimis* in the final results of review, we will instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews*, i.e., "{w}here the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed."¹³

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Habich for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁴

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the

publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Habich will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) if the exporter is not a firm covered in this review, a prior completed review, or the less-than-fair value (LTFV) investigation, but the producer is, then the cash deposit rate will be the company-specific rate established for the most recently-completed segment of this proceeding for the producer of subject merchandise; and (3) the cash deposit rate for all other producers and exporters will continue to be 25.90 percent, the all-others rate established in the LTFV investigation.¹⁵

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any case or rebuttal briefs, no later than 120 days after the date of publication of this notice, unless extended.¹⁶

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Certain Tissue Paper Products From the People's Republic of China: Continuation of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC) in their five year (sunset) review that revocation of the antidumping duty (AD) order on certain tissue paper products (tissue paper) from the People's Republic of China (China) would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, Commerce is publishing a notice of continuation of the AD order on tissue paper from China.

DATES: Applicable November 26, 2021.

FOR FURTHER INFORMATION CONTACT: Brian Smith, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1766.

SUPPLEMENTARY INFORMATION:

Background

On March 30, 2005, Commerce published the AD order on tissue paper from China.¹ On June 1, 2021, the ITC

¹ See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Tissue Paper Products from the People's Republic of China*, 70 FR 16223 (March 30, 2005).

instituted² and Commerce initiated³ a five-year (sunset) review of the AD order on tissue paper from China, pursuant to sections 751(c) and 752 of the Tariff Act of 1930, as amended (the Act). As a result of its review, Commerce determined that revocation of the AD order on tissue paper from China would likely lead to a continuation or recurrence of dumping. Therefore, Commerce notified the ITC of the magnitude of the margin of dumping likely to prevail were the order to be revoked.⁴

On November 18, 2021, the ITC published its determination, pursuant to sections 751(c) and 752(a) of the Act, that revocation of the AD order on tissue paper from China would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁵

Scope of the Order

The products covered by the order are cut-to-length sheets of tissue paper having a basis weight not exceeding 29 grams per square meter. Tissue paper products subject to this order may or may not be bleached, dye-colored, surface-colored, glazed, surface decorated or printed, sequined, crinkled, embossed, and/or die cut. The tissue paper subject to this order is in the form of cut-to-length sheets of tissue paper with a width equal to or greater than one-half (0.5) inch. Subject tissue paper may be flat or folded, and may be packaged by banding or wrapping with paper or film, by placing in plastic or film bags, and/or by placing in boxes for distribution and use by the ultimate consumer. Packages of tissue paper subject to this order may consist solely of tissue paper of one color and/or style, or may contain multiple colors and/or styles.

The merchandise subject to this order does not have specific classification numbers assigned to them under the Harmonized Tariff Schedule of the United States (HTSUS). Subject merchandise may be under one or more of several different subheadings, including: 4802.30, 4802.54, 4802.61, 4802.62, 4802.69, 4804.31.1000, 4804.31.2000, 4804.31.4020, 4804.31.4040, 4804.31.6000, 4804.39,

Excluded from the scope of this order are the following tissue paper products: (1) Tissue paper products that are coated in wax, paraffin, or polymers, of a kind used in floral and food service applications; (2) tissue paper products that have been perforated, embossed, or die-cut to the shape of a toilet seat, *i.e.*, disposable sanitary covers for toilet seats; and (3) toilet or facial tissue stock towel or napkin stock, paper of a kind used for household or sanitary purposes, cellulose wadding, and webs of cellulose fibers (HTSUS 4803.00.20.00 and 4803.00.40.00).

Continuation of the AD Order

As a result of the determinations by Commerce and the ITC that revocation of the AD order on tissue paper from China would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to sections 751(c) and 751(d)(2) of the Act, Commerce hereby orders the continuation of the AD order on tissue paper from China. U.S. Customs and Border Protection will continue to collect AD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, Commerce intends to initiate the next five-year review of this order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply is a violation of the APO which may be subject to sanctions.
