Notice Pursuant to the National Cooperative Research and Production Act of 1993—Consortium for Execution of Rendezvous and Servicing Operations

Notice is hereby given that, on Oct 1, 2021, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), The National Advanced Mobility Consortium (“NAMC”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Dawn Aerospace New Zealand Limited, Christchurch, NEW ZEALAND; Kall Morris, Inc., Marquette, MI; SpaceLink Corporation, McLean, VA; and Turion Space Corporation, Irvine, CA have been added as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and CONFERS intends to file additional written notifications disclosing all changes in membership.

On September 10, 2018, CONFERS filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on October 19, 2018 (77 FR 36292).

The last notification was filed with the Department on July 2, 2021. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on August 23, 2021 (86 FR 47155).
