Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties, and for the reasons explained in the Issues and Decision Memorandum, we made changes to the *Preliminary Results*.⁷ For these final results, Commerce is now applying facts available with an adverse inference (AFA) to HengTong.⁸ Accordingly, we are applying the highest rate from any segment of this proceeding, *i.e.*, 235.93 percent, as AFA.⁹ For a discussion of this change, *see* the “Discussion of the Issue” section of the Issues and Decision Memorandum.

Final Results of Administrative Review

We are assigning the following dumping margin to the firm listed below for the POR, August 31, 2018, through April 30, 2020:

Exporter	Weighted-average dumping margin (percent)
Yuncheng Jiangxian Economic Development Zone HengTong Casting Co., Ltd (aka HengTong Casting Co., Ltd.)	235.93

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the final results of a review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results, in accordance with 19 CFR 351.224(b). However, because Commerce applied a rate based on total AFA to the mandatory respondent in this review, in accordance with section 776 of Tariff Act of 1930, as amended (the Act), there are no calculations to disclose.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. We intend to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will

direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For the final results, we will instruct CBP to apply an *ad valorem* assessment rate equal to the dumping margin shown above to all entries of subject merchandise during the POR which were exported by HengTong. We intend to instruct CBP to take into account the “provisional measures deposit cap,” in accordance with 19 CFR 351.212 (d).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For HengTong, the cash deposit rate will be equal to the dumping margin assigned in the final results of this review; (2) for previously investigated or reviewed China and non-China exporters not listed above that, at the time of entry are eligible for a separate rate based on a prior completed segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all China exporters of subject merchandise that have not been found to be entitled to a separate rate at the time of entry, the cash deposit rate will be that for the China-wide entity (*i.e.*, 235.93 percent);¹⁰ and (4) for all non-China exporters of subject merchandise which at the time of entry are not eligible for a separate rate, the cash deposit rate will be the rate applicable to the China exporter that supplied that non-China exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: December 15, 2021.

Deputy Assistant Secretary for Policy and Negotiations, Performing the Non-Exclusive Functions and Duties of the Assistant Secretary for Enforcement and Compliance.
