DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Clean Water Act

On December 22, 2021, the Department of Justice filed a complaint in, and simultaneously lodged a Consent Decree with, the United States District Court for the Eastern District of Pennsylvania in the matter of *United States of America, and the Commonwealth of Pennsylvania, Department of Environmental Protection v. Bucks County Water and Sewer Authority*, Civil Action No. 21–cv–557 (E.D. Pa.).

The Complaint alleges that the Bucks County Water and Sewer Authority (the “Authority”) violated its National Pollutant Discharge Elimination System permits, the Clean Water Act, and the Pennsylvania Clean Streams law by failing to prohibit unpermitted discharges in the form of sanitary sewer overflows (“SSOs”) and failing to properly operate and maintain its system.

The proposed Consent Decree seeks to resolve the alleged claims in the complaint. The Parties’ express purpose entering into this Consent Decree is for the Authority to take all measures necessary to comply with the Clean

Water Act and the regulations promulgated thereunder, and the Clean Streams Law and the regulations promulgated thereunder, and to ensure compliance with any applicable permits issued to Defendant concerning the proper operation and maintenance of the Authority’s waste water treatment plants and collection systems. The proposed Consent Decree establishes injunctive relief measures to achieve the above purposes, and secures a civil penalty in the amount of \$450,000.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America, and the Commonwealth of Pennsylvania, Department of Environmental Protection v. Bucks County Water and Sewer Authority*, Civil Action No. 21–cv–557 (E.D. Pa.), D.J. Ref. No. 90–5–1–1–10715. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted by email or by mail:

NATIONAL FOUNDATION ON THE ARTS AND HUMANITIES

National Endowment for the Arts

Submission for OMB Emergency Review of the “2022 Arts Supplement to the General Social Survey”

AGENCY: National Endowment for the Arts, National Foundation on the Arts and Humanities.

ACTION: Notice.

SUMMARY: The National Endowment for the Arts (NEA), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995. This program helps to ensure the requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the NEA is soliciting comments concerning the proposed information collection on arts participation in the U.S.: Clearance Request for NEA 2022 Arts Supplement to the General Social Survey. Copies of this ICR (information collection request), with applicable supporting documentation, may be obtained by visiting www.Reginfo.gov.

DATES: The National Endowment for the Arts is requesting OMB’s approval of this emergency request by January 21, 2022. Written comments must be submitted to the office listed in the address section below within 5 days from the date of this publication in the **Federal Register**.

ADDRESSES: Send written comments and recommendations for proposed information collection requests within 5 days of publication of this Notice to Sunil Iyengar at research@arts.gov.

SUPPLEMENTARY INFORMATION: The NEA is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;
