Number of Export Applications

FSIS stated in the 2016 final rule (81 FR 42225) and the 2017 **Federal Register** notice (FR 82 42056) that it would update and recalculate the fee based on the best available estimates for costs and number of applications; however, the number of export applications (the denominator in the formula) cannot be accurately assessed until a majority of countries are included in the export component. Therefore, because a majority of countries are not yet included in the PHIS Export component, the cost estimates and projected export applications in the final rule remain the best estimate for 2022, leaving the electronic export application fee unchanged.

Final Results of Successor-In-Interest Analysis

In the *Preliminary Results*, Commerce determined that Jiangsu Alcha Aluminum Group Co., Ltd., is the successor-in-interest to Jiangsu Alcha Aluminum Co., Ltd. (Jiangsu Alcha).⁷ No party commented on this issue and we have not received any information to contradict our preliminary finding. Therefore, we continue to find that Jiangsu Alcha Aluminum Group Co., Ltd. is the successor-in-interest to Jiangsu Alcha. Moreover, because we find Jiangsu Alcha Aluminum Group Co., Ltd. to be the successor-in-interest to Jiangsu Alcha, we intend to assign to Jiangsu Alcha Aluminum Group Co., Ltd., the same antidumping cash deposit rate assigned to Jiangsu Alcha, for purposes of determining antidumping liability in this proceeding.

Final Determination of No Shipments

In the *Preliminary Results*, Commerce determined that Teknik Aluminium Sanayi A.S. and Companhia Brasileira de Alumínio did not have shipments of subject merchandise to the United States during the POR.⁸ As we received no information to contradict our preliminary determination of no shipments with respect to those companies, we continue to find that they made no shipments of subject merchandise to the United States during the POR. Accordingly, we will issue appropriate instructions for these two companies that are consistent with our "automatic assessment" clarification.⁹

Final Affiliation and Single Entity Determination

In the *Preliminary Results*, Commerce determined that Jiangsu Alcha, Alcha International Holdings Limited (Alcha International), and Baotou Alcha Aluminum Co., Ltd. (Baotou Alcha) are affiliated entities, pursuant to sections 771(33)(E), (F), and (G) of the Act,¹⁰ and that Jiangsu Alcha and Baotou Alcha should be treated as a single entity,
