

issuers and other persons using its facilities. The Exchange also believes that the proposed rule change is consistent with the objectives of Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest, and, particularly, is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that the proposed change is reasonable, equitable and not unfairly discriminatory as it does not change the fees or rebates assessed by the Exchange, but rather updates the rates applicable to Customer orders that add volume in Non-Penny Program Securities in the Standard Rates table to accurately reflect the rates adopted in the August Filing for such orders under the Customer Non-Penny Add Volume Tiers. As such, the proposed rule change is merely a clarification in the Fees Schedule designed to more accurately reflect the current rates for Customer orders that add volume in Non-Penny Program Securities, thereby increasing transparency in the Fees Schedule and reducing potential confusion regarding the appropriate rates for such orders.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on intramarket or intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the proposed rule change merely provides a clarification in Fees Schedule that is designed to more accurately reflect the current rates for Customer orders that add volume in Non-Penny Program Securities, thereby increasing transparency in the Fees Schedule and reducing potential confusion regarding the appropriate rates applicable to such orders without having any impact on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁷ of the Act and subparagraph (f)(2) of Rule 19b-4⁸ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁹ of the Act to determine whether the proposed rule change should be approved or disapproved.
