Title: Medical Exception Request to the COVID-19 Vaccination Requirement.

OMB Control No.: 3079-0001.

Abstract: The President, by Executive order 13991 (January 20, 2021) established the Safer Federal Workforce

Task Force. The Task force was established to give the heads of Federal agencies ongoing guidance to keep their employees safe and their agencies operating during the COVID-19 pandemic. The Task force issued guidance, in accordance with the President's Executive Order 14043 (September 9, 2021), requiring Federal employees to be vaccinated against COVID-19 by November 22, 2021 absent an exception required by law. To determine whether employees who request a medical exception qualify for the exception sought, or, alternatively, must comply with the November 22 deadline, FMSHRC has developed the "Medical Exception Request to the COVID-19 Vaccination Requirement."

This form was developed, consistent with guidance issued by the Task Force, to gather information from employees and applicants for employment who have requested medical exceptions to determine whether such employees qualify for legal exceptions to the vaccine requirement. The Request form also will be used to collect information from job applicants who may request a legal exception upon receiving an offer of employment from FMSHRC.
