

pursuant to this order solely because it is owned in whole or in part, directly or indirectly, by one or more sanctioned persons, unless the entity is itself a sanctioned person and the sanctions in section 2(a)(i)(A) of this order are imposed on the entity.

Sec. 3. The prohibitions in section 2(a) of this order include:

(a) The making of any contribution or provision of funds, goods, or services by, to, or for the benefit of any person whose property and interests in property are blocked pursuant to this order; and

(b) the receipt of any contribution or provision of funds, goods, or services from any such person.

Sec. 4. (a) The unrestricted immigrant and nonimmigrant entry into the United States of noncitizens determined to meet one or more of the criteria in section 1 of this order, and for whom the sanctions described in section 2(a)(i)(A) or section 2(a)(ii)(B) of this order have been selected, would be detrimental to the interests of the United States, and the entry of such persons into the United States, as immigrants or nonimmigrants, is hereby suspended, except when the Secretary of State or the Secretary of Homeland Security, as appropriate, determines that the person's entry would not be contrary to the interests of the United States, including when the Secretary of State or the Secretary of Homeland Security, as appropriate, so determines, based on a recommendation of the Attorney General, that the person's entry would further important United States law enforcement objectives.

(b) The Secretary of State shall implement this order as it applies to visas pursuant to such procedures as the Secretary of State, in consultation with the Secretary of Homeland Security, may establish.

(c) The Secretary of Homeland Security shall implement this order as it applies to the entry of noncitizens pursuant to such procedures as the Secretary of Homeland Security, in consultation with the Secretary of State, may establish.

(d) Such persons shall be treated by this section in the same manner as persons covered by section 1 of Proclamation 8693 of July 24, 2011 (Suspension of Entry of Aliens Subject to United Nations Security Council Travel Bans and International Emergency Economic Powers Act Sanctions).

Sec. 5. (a) Any transaction that evades or avoids, has the purpose of evading or avoiding, causes a violation of, or attempts to violate any of the prohibitions set forth in this order is prohibited.

(b) Any conspiracy formed to violate any of the prohibitions set forth in this order is prohibited.

Sec. 6. I hereby determine that the making of donations of the types of articles specified in section 203(b)(2) of IEEPA (50 U.S.C. 1702(b)(2)) by, to, or for the benefit of any person whose property and interests in property are blocked pursuant to this order would seriously impair my ability to deal with the national emergency declared in this order, and I hereby prohibit such donations as provided by section 2 of this order.

Sec. 7. For the purposes of this order:

(a) The term "entity" means a partnership, association, trust, joint venture, corporation, group, subgroup, or other organization;

(b) the term "Government of Ethiopia" means the Government of Ethiopia, any political subdivision, agency, or instrumentality thereof, including the National Bank of Ethiopia, and any person owned, controlled, or directed by, or acting for or on behalf of, the Government of Ethiopia;

(c) the term "Government of Eritrea" means the Government of Eritrea, any political subdivision, agency, or instrumentality thereof, including the Bank of Eritrea, and any person owned, controlled, or directed by, or acting for or on behalf of, the Government of Eritrea;

(d) the term "noncitizen" means any person who is not a citizen or noncitizen national of the United States;

(e) the term "person" means an individual or entity;

(f) the term "sanctioned person" means a foreign person that the Secretary of the Treasury, in consultation with the Secretary of State, has determined meets any of the criteria described in section 1 of this order and has selected, in consultation with the Secretary of State, one or more of the sanctions set forth in section 2(a) of this order to impose on that foreign person; and

(g) the term "United States person" means any United States citizen, lawful permanent resident, entity organized under the laws of the United States or any jurisdiction within the United States (including foreign branches), or any person in the United States.

Sec. 8. For those persons whose property and interests in property are blocked or affected by this order who might have a constitutional presence in the United States, I find that because of the ability to transfer funds and other assets instantaneously, prior notice to such persons of measures to be taken pursuant to this order would render those measures ineffectual. I therefore determine that for these measures to be effective in addressing the national emergency declared in this order, there need be no prior notice of a listing or determination made pursuant to section 1 of this order.

Sec. 9. The Secretary of the Treasury, in consultation with the Secretary of State, is authorized to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA as may be necessary to carry out the purposes of this order. The Secretary of the Treasury may, consistent with applicable law, redelegate any of these functions within the Department of the Treasury. All executive departments and agencies of the United States shall take all appropriate measures within their authority to implement this order.

Sec. 10. Nothing in this order shall prohibit transactions for the conduct of the official business of the Federal Government by employees, grantees, and contractors thereof.

Sec. 11. The Secretary of the Treasury, in consultation with the Secretary of State, is authorized to submit recurring and final reports to the Congress on the national emergency declared in this order, consistent

with section 401(c) of the NEA (50 U.S.C. 1641(c)) and section 204(c) of IEEPA (50 U.S.C. 1703(c)).

Sec. 12. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) The authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

BILLING CODE 4810-AL-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2022-0074]

RIN 1625-AA87

Security Zone; Grounded Tug and Barge, Deerfield Beach, FL

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary security zone for certain navigable waters of the Atlantic Ocean within a 1000 yard radius of a grounded tug and barge, the SEA EAGLE, on Deerfield Beach containing a cargo of national security interest. This action is necessary to protect the cargo and surrounding waterway from terrorist acts, sabotage or other subversive acts, accidents, or other events of a similar nature. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port (COTP) Miami.

DATES: This rule is effective without actual notice from February 9, 2022, through 11:00 a.m. on February 11, 2022. For the purposes of enforcement, actual notice will be used from 12:00 p.m. on February 4, 2022, until February 9, 2022.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2022–0074 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because immediate action is needed to protect a cargo of national security interest, on board the grounded barge. This vessel ran aground in the early morning hours of February 4, 2022, and immediate action is needed to protect the vessel, its cargo, response personnel, and the waterway. It would be impracticable to publish an NPRM because we must establish this security zone by February 4, 2022.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to protect the cargo of national security interest, the vessel, response personnel, and the waterway.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The COTP Miami has determined a cargo of national security interest is on board the

grounded tug and barge, and the cargo presents a potential target for terrorist acts, sabotage, or other subversive acts, accidents, or other causes of a similar nature. This security zone is needed to protect the cargo of national security interest, response personnel, the vessel, and the surrounding waterway, until the tug and barge is refloated or cargo removed.

IV. Discussion of the Rule

This rule establishes a security zone from 12:00 p.m. on February 4, 2022 to 11:00 a.m. on February 11, 2022. The security zone will cover all navigable waters of the Atlantic Ocean within 1000 yards of the grounded tug and barge. The duration of the zone is intended to protect a cargo of national security interest, response personnel, the vessel, and surrounding waterway until the barge is refloated or cargo removed. No vessel or person will be permitted to enter the security zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration, and scope of the security zone. The zone is limited in size, location, and duration as it will cover all navigable waters of the Atlantic Ocean within 1000 yards of the grounded SEA EAGLE, and will last only one week. The zone is limited in scope as vessel traffic will be able to safely transit around this security zone and vessels may seek permission from the COTP to enter the zone. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF–FM marine channel 16 about the security zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the security zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of

power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves an emergency security zone lasting less than 7 days that will prohibit entry within 1000 yards of the grounded tug and barge. This type of action is categorically excluded from further review under paragraph L60(c) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.
