Title: Advertising, Sales, Enrollment Materials, and Candidate Handbooks.

OMB Control Number: 2900–0682.

Type of Review: Revision of a currently approved collection.

Abstract: This notice is replacing the previous 60-Day Notice, Vol. 86 No. 239 that was published on January 16, 2021. A Correction Notice was published in Vol. 87 No. 1 on January 3, 2022. The statute prohibits approval of the enrollment of a Veteran in a course if the educational institution uses advertising, sales, or enrollment practices that are erroneous, deceptive, or misleading either by actual statement, omission, or intimation. The advertising, sales and enrollment materials are reviewed to determine if the institution is in compliance with guidelines for approval. VA received two public comments which questions the 15-minute length of burden time needed to gather the information required for VA review upon compliance for this ICR. After careful assessment, VA agrees with the comments, and have therefore adjusted the time burden from 15 minutes to 60 minutes accordingly, and as result have updated the Supporting Statement to reflect the change.

Affected Public: Individuals and Households.

Estimated Annual Burden: 5,525 hours.

Estimated Average Burden per Respondent: 60 minutes.

Frequency of Response: Annually.

Estimated Number of Respondents: 5,525.

By direction of the Secretary.

Maribel Aponte,

VA PRA Clearance Officer, Office of Enterprise and Integration/Data Governance Analytics, Department of Veterans Affairs.
