DEPARTMENT OF STATE

[Public Notice 11659]

Notice of Determinations; Culturally Significant Object Being Imported for Exhibition—Determinations: "Winslow Homer: Crosscurrents" Exhibition

SUMMARY: Notice is hereby given of the following determinations: I hereby determine that a certain object being imported from abroad pursuant to an agreement with its foreign owner or custodian for temporary display in the exhibition "Winslow Homer: Crosscurrents" at The Metropolitan Museum of Art, New York, New York, and at possible additional exhibitions or venues yet to be determined, is of cultural significance, and, further, that its temporary exhibition or display within the United States as aforementioned is in the national interest. I have ordered that Public Notice of these determinations be published in the Federal Register.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36500]

Canadian Pacific Railway Limited; Canadian Pacific Railway Company; Soo Line Railroad Company; Central Maine & Quebec Railway US Inc.; Dakota, Minnesota & Eastern Railroad Corporation; and Delaware & Hudson Railway Company, Inc.—Control— Kansas City Southern; The Kansas City Southern Railway Company; Gateway Eastern Railway Company; and The Texas Mexican Railway Company

AGENCY: Surface Transportation Board. **ACTION:** Notice of availability of the Final Scope of Study for the Environmental Impact Statement.

SUMMARY: On October 29, 2021, Canadian Pacific Railway Limited, Canadian Pacific Railway Company, and their U.S. rail carrier subsidiaries Soo Line Railroad Company; Central Maine & Quebec Railway U.S. Inc.; Dakota, Minnesota & Eastern Railroad Corporation; and Delaware & Hudson Railway Company, Inc. (collectively, CP) and Kansas City Southern, The Kansas City Southern Railway Company, Gateway Eastern Railway Company, and The Texas Mexican Railway Company (collectively, KCS) filed an application with the Surface Transportation Board (Board) seeking the Board's approval of the acquisition of control by CP of KCS (Proposed Acquisition). The Proposed Acquisition has the potential to result in significant environmental impacts; therefore, the Board's Office of Environmental Analysis (OEA) has determined that the preparation of an Environmental Impact Statement (EIS) is appropriate to meet the Board's obligations under the National Environmental Policy Act (NEPA) and related laws, including Section 106 of the National Historic

Preservation Act (NHPA). The purpose of this Notice is to inform stakeholders—including members of the public; elected officials; tribes; federal, state, and local agencies; and organizations—interested in or potentially affected by potential environmental and cultural impacts related to the Proposed Acquisition that the Final Scope of Study for the EIS is available.

FOR FURTHER INFORMATION CONTACT:

Joshua Wavland, Office of Environmental Analysis, Surface Transportation Board, c/o VHB, 940 Main Campus Dr., Suite 500, Raleigh, NC 27606, or call OEA's toll-free number for the project at 1-888-319-2337. Assistance for the hearing impaired is available through the Federal Information Relay Service at 1-800-877-8339. The website for the Board is https://www.stb.gov. For further information about the Board's environmental review process and the EIS, you may also visit the Boardsponsored project website at www.CP-KCSMergerEIS.com.

SUPPLEMENTARY INFORMATION:

Background

On October 29, 2021, CP and KCS (collectively, the Applicants) filed an application with the Board under 49 U.S. Code (U.S.C.) 11323-25 seeking the Board's approval of the Proposed Acquisition. CP and KCS are two of the seven Class I railroads in the United States, which are the largest railroads, defined as having annual revenue greater than \$250 million. CP is one of Canada's two major railroads, extending across the country and connecting east and west coast ports. In the U.S., CP connects to Buffalo and Albany, New York and Searsport, Maine. CP also runs south into the U.S. Midwest and connects with KCS in Kansas City, Missouri. The KCS network extends from Kansas City, Missouri to the Gulf Coast and into Mexico, operating across 10 states in the Midwest and Southeast. CP and KCS provide rail service for a variety of industries, including agriculture, minerals, military, automotive, chemical and petroleum, energy, industrial, and consumer products. CP and KCS are the two smallest Class I railroads, and the combined railroad would be the smallest Class I railroad by revenue.

Summary of the Board's Review Processes for This Proceeding

The Board will review the Proposed Acquisition through two parallel but distinct processes: (1) The transportation-related process that
