BILLING CODE 3411-15-P

DEPARTMENT OF AGRICULTURE

Forest Service

Shasta County Resource Advisory Committee

AGENCY: Forest Service, (Agriculture) USDA.

ACTION: Notice of meeting.

SUMMARY: The Shasta County Resource Advisory Committee (RAC) will hold two virtual meetings by phone and/or video conference. The committee is authorized under the Secure Rural Schools and Community Self-Determination Act (the Act) and operates in compliance with the Federal Advisory Committee Act. The purpose of the committee is to improve collaborative relationships and to provide advice and recommendations to the Forest Service concerning projects and funding consistent with Title II of the Act, as well as make recommendations on recreation fee proposals for sites on the Shasta-Trinity National Forest within Shasta County. RAC information can be found at the following website: <https://www.fs.usda.gov/main/stnf/workingtogether/advisorycommittees>.

DATES: The virtual meetings will be held on:

- Wednesday, March 16, 2022, 9:30 a.m.–11:30 a.m., Pacific Daylight Time; and
- Wednesday, March 23, 2022, 9:30 a.m.–11:30 a.m., Pacific Daylight Time.

All RAC meetings are subject to cancellation. For status of the meetings prior to attendance, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**.

ADDRESSES: The meetings will be held virtually via Microsoft Teams. Details for how to join the meetings are listed in the above website link under **SUMMARY**.

Written comments may be submitted as described under **SUPPLEMENTARY INFORMATION**. All comments, including names and addresses when provided, are placed in the record and are available for public inspection and

copying. The public may inspect comments received at the Shasta Lake Ranger Station. Please call ahead at 530-275-1587 to facilitate entry into the building.

FOR FURTHER INFORMATION CONTACT:

Lejon Hamann, RAC Coordinator, by phone at 530-410-1935 or via email at lejon.hamann@usda.gov.

Individuals who use telecommunication devices for the deaf and hard-of-hearing (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339, 24 hours per day, every day of the year, including holidays.

SUPPLEMENTARY INFORMATION: The purpose of the meetings are to review the following:

1. Comments from the Designated Federal Officer (DFO);
2. Approve minutes from last meeting;
3. Discuss, recommend, approve Title II projects;
4. Public comment period; and
5. Closing comments from the DFO.

The meetings are open to the public. The agenda will include time for people to make oral statements of three minutes or less. Individuals wishing to make an oral statement should request in writing by the Friday before the scheduled meetings to be scheduled on the agenda for a particular meeting. Anyone who would like to bring related matters to the attention of the committee may file written statements with the committee staff before or after the meeting. Written comments and requests for time for oral comments must be sent to Lejon Hamann, RAC Coordinator, 3644 Avtech Parkway, Redding, California 96002 or by email to lejon.hamann@usda.gov.

Meeting Accommodations: Please make requests in advance for sign language interpreter services, assistive listening devices, or other reasonable accommodation. For access to proceedings, please contact the person listed in the section titled for **FURTHER INFORMATION CONTACT**. All reasonable accommodation requests are managed on a case-by-case basis.

Equal opportunity practices, in line with USDA policies, will be followed in all membership appointments to the RAC. To help ensure that recommendations of the RAC have taken into account the needs of the diverse groups served by the Department, membership shall include, to the extent practicable, individuals with demonstrated ability to represent minorities, women, and persons with disabilities.

The USDA prohibits discrimination in all of its programs and activities on the basis of race, color, national origin, religion, sex, gender identity (including

gender expression), sexual orientation, disability, age, marital status, family/parental status, political beliefs, income derived from a public assistance program, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA (not all bases apply to all programs).

Dated: February 22, 2022.

Cikena Reid,

USDA Committee Management Officer.

BILLING CODE 3411-15-P

DEPARTMENT OF AGRICULTURE

Forest Service

Notice of Proposed New Fee Sites

AGENCY: Forest Service, Agriculture (USDA).

ACTION: Notice of proposed new fee sites.

SUMMARY: The Gila National Forest is proposing to charge new fees at multiple recreation sites listed in **SUPPLEMENTARY INFORMATION** of this notice. Funds from fees would be used for operation, maintenance, and improvements of these recreation sites. An analysis of nearby developed recreation sites with similar amenities shows the proposed fees are reasonable and typical of similar sites in the area.

DATES: If approved, the new fee would be implemented no earlier than six months following the publication of this notice in the **Federal Register**.

ADDRESSES: Gila National Forest, 3005 E Camino del Bosque, Silver City, New Mexico 88061.

FOR FURTHER INFORMATION CONTACT: Matt Schultz, Recreation, Heritage, Engineering, Lands and Minerals Staff, 575-388-8280, or matthew.schultz@usda.gov.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six-month advance notice in the **Federal Register** whenever new recreation fee areas are established. The fees are only proposed at this time and will be determined upon further analysis and public comment. Reasonable fees, paid by users of these sites, will help ensure that the Forest can continue maintaining and improving recreation sites like this for future generations.

As part of this proposal, the Head of the Ditch, Wolf Hollow, Quemado Lake—El Caso I–III, Valle Tio Vincas

Public Corrals, Big Horn, Pueblo Park, Cosmic, Forks, Sapillo, Aeroplane Mesa, Apache Creek, Ben Lilly, Willow Creek, Gwynn Tank, South Fork, Cherry Creek, Iron Creek, McMillan, Railroad Canyon, and Upper Gallinas Campgrounds are proposed at \$10 per night. A \$15 fee is proposed at Mesa Campground dump station. The Cosmic Group Campground is proposed for \$100 per night. In addition, this proposal would implement new fees at four recreation rentals: Monument Park Cabin proposed at \$50 per night, Negrito Fire Lookout proposed at \$50 per night, Willow Creek Cabin proposed at \$125 per night, and Kingston Work Center proposed at \$150 per night. A new state-wide New Mexico annual pass is being proposed for \$40. The full suite of Interagency passes would be honored.

New fees would provide increased visitor opportunities as well as increased staffing to address operations and maintenance needs and enhance customer service. Once public involvement is complete, these new fees will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.

Advanced reservations for campgrounds and cabins will be available through www.recreation.gov or by calling 1-877-444-6777. The reservation service charges an \$8.00 fee for reservations.

Dated: February 17, 2022.

Sandra Watts,

Acting Associate Deputy Chief, National Forest System.

BILLING CODE 3411-15-P

DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Business Trends and Outlook Survey

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested

via the **Federal Register** on November 9, 2021 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: U.S. Census Bureau.

Title: Business Trends and Outlook Survey.

OMB Control Number: 0607-XXXX.

Form Number(s): The electronic survey instrument has no form number.

Type of Request: Regular submission, New Information Collection Request.

Number of Respondents: We expect 45,000 responses every two weeks for a total of 1,170,000 responses annually.

Average Hours per Response: 8 minutes.

Burden Hours: 156,000.

Needs and Uses: The mission of the U.S. Census Bureau (Census Bureau) is to serve as the leading source of quality data about the nation's people and economy; in order to fulfill this mission, it is necessary to innovate to produce more detailed, more frequent, and more timely data products. The Coronavirus pandemic was an impetus for the creation of new data products by the Census Bureau to measure the pandemic's impact on the economy: The Small Business Pulse Survey (SBPS) (OMB Number: 0607-1014) and the weekly Business Formation Statistics. Policymakers and other federal agency officials, media outlets, and academia commended the Census Bureau's rapid response to their data needs during the largest economic crisis in recent American history. The Census Bureau proposes to capitalize on the successes that underlie the current high frequency data collection and near real time data dissemination that have been engineered for the SBPS. The proposed Business Trends and Outlook Survey (BTOS) will be an ongoing collection that will allow for high frequency, timely, and granular information about current economic conditions and trends as well as the impact of national, subnational, or sector-level shocks on business activity. The proposed BTOS will also allow the Census Bureau a mechanism for providing more detailed data during times of economic or other emergencies. Thus, the Census Bureau is requesting three years of approval from OMB to conduct the BTOS.

The BTOS will increase the scope of the Small Business Pulse Survey to include large employer businesses (those with 500 or more employees), multi-unit businesses (those with establishments in more than one location), and nonemployer businesses (those with no paid employees); it will also include the U.S. Island Areas in addition to Puerto Rico. As with the SBPS, the BTOS will include most non-

farm sectors of the U.S. economy. The BTOS will incrementally build on the success of the SBPS and will be implemented using components of the current SBPS platform. The first stage of the BTOS will be an expansion of the SBPS to include the addition of large single unit employer businesses, to be followed by the addition of multi-unit businesses, and then nonemployer businesses. The BTOS will ultimately produce high frequency statistics across most non-farm sectors of the U.S. economy, with estimates by sector, state, state by sector, sub-sector, the largest fifty Metropolitan Statistical Areas (MSA) by population size, employment size, and employer status. As with other Census Bureau data products, detailed methodology and measures of quality will be published for BTOS data products. BTOS products will be based on representative samples drawn from the full universe of businesses, making them unique and the results reliable when compared to other high frequency business survey data such as those produced in the private sector.

The Census Bureau proposes an incremental path to the proposed final scope of the BTOS in order to learn at each implemented stage and to allow for modifications based on lessons learned or internal/external stakeholder feedback in prior iterations. The Census Bureau will submit a request to OMB including 30 days of public comment announced in the **Federal Register** to receive approval to make any substantive revisions to the content or methods of the proposed survey, including the incremental scope changes discussed above.

The Census Bureau published a notice in the **Federal Register** on November 9, 2021 soliciting public comments on our plans to conduct the BTOS. That notice referred to the survey as the Business Pulse Survey. The name of the survey has since been changed to Business Trends and Outlook Survey with the acronym BTOS. That earlier notice also included an estimate of 6 minutes to complete the survey. We have since revised that estimate to 8 minutes.

The BTOS will be a new survey with bi-weekly data collection and publication; estimates produced from the BTOS will initially be released as experimental data products. The SBPS demonstrated the ability of the Census Bureau to collect and publish high frequency, timely data during a national economic emergency. The BTOS will capitalize on this success and provide regularly occurring high frequency data products and measures of quality based on national and subnational
