BILLING CODE P

COMMISSION ON CIVIL RIGHTS

Notice of Public Meeting of the Nevada Advisory Committee

AGENCY: U.S. Commission on Civil Rights.

ACTION: Announcement of meeting.

SUMMARY: Notice is hereby given, pursuant to the provisions of the rules and regulations of the U.S. Commission on Civil Rights (Commission) and the Federal Advisory Committee Act (FACA) that the Nevada Advisory Committee (Committee) will hold a meeting via web conference on Thursday, March 10, 2022, from 2:00 p.m. to 3:30 p.m. Pacific Time. The purpose of the meeting is to review and vote on their addendum regarding updates to recommendations noted in their report on remote learning and equity in education.

DATES: Thursday, March 10, 2022, from 2:00 p.m. to 3:30 p.m. Pacific Time.

Webex Information: Register online <https://tinyurl.com/2p8n4xkw>.

Audio: (800) 360-9505, ID: 2762 651 8270.

FOR FURTHER INFORMATION CONTACT: Ana Victoria Fortes, Designated Federal Officer (DFO) at afortes@usccr.gov or by phone at (202) 681-0857.

SUPPLEMENTARY INFORMATION: Any interested member of the public may call this number and listen to the meeting. Callers can expect to incur charges for calls they initiate over wireless lines, and the Commission will not refund any incurred charges. Callers will incur no charge for calls they initiate over land-line connections to the toll-free telephone number. Persons with hearing impairments may also follow the proceedings by first calling the Federal Relay Service at 1-800-877-8339 and providing the Service with the conference call number and conference ID number.

Members of the public are entitled to make comments during the open period at the end of the meeting. Members of the public may also submit written comments; the comments must be received in the Regional Programs Unit Office within 30 days following the meeting. Written comments may be mailed to Ana Victoria Fortes at afortes@usccr.gov in the Regional

Programs Unit Office/Advisory Committee Management Unit. Persons who desire additional information may contact the Regional Programs Unit Office (202) 681-0587.

Records and documents discussed during the meeting will be available for public viewing prior to and after the meetings at <https://www.faca.database.gov/FACA/FACAPublicvViewCommitteeDetails?id=a10t0000001gzlJAAQ>.

Please click on the "Committee Meetings" tab. Records generated from these meetings may also be inspected and reproduced at the Regional Programs Unit, as they become available, both before and after the meetings. Persons interested in the work of this Committee are directed to the Commission's website, <https://www.usccr.gov>, or may contact the Regional Programs Unit at the above email or street address.

Agenda

- I. Welcome
- II. Review Addendum
- III. Public Comment
- IV. Vote on Addendum
- V. Next Steps
- VI. Adjournment

Exceptional Circumstance: Pursuant to 41 CFR 102-3.150, the notice for this meeting is given less than 15 calendar days prior to the meeting because of the exceptional circumstances of the immediacy of the subject matter.

Dated: February 23, 2022.

David Mussatt,

Supervisory Chief, Regional Programs Unit.

BILLING CODE P

DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Ask U.S. Panel

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize

the public's reporting burden. Public comments were previously requested via the **Federal Register** on December 7, 2021, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: U.S. Census Bureau.

Title: Ask U.S. Panel.

OMB Control Number: 0607-XXXX.

Form Number(s): Not yet determined.

Type of Request: Regular submission, New Information Collection Request.

Number of Respondents: 1,700.

Average Hours per Response:

Approximately 39.9 minutes per respondent.

Burden Hours: 1,131 hours.

Needs and Uses: The Ask U.S. Panel ("the Panel") will be a nationally representative survey panel for tracking public opinion on a variety of topics of interest to numerous federal agencies and their partners, and for conducting experimentation on alternative question wording and methodological approaches. The Panel may also be used to collect national-representative rapid-response data, as a complement to that currently collected by the Household Pulse Survey. The Panel will be developed through a multi-year effort. The first two years will focus on developing the overall design and conducting a large-scale field Pilot Test. Nationally representative data collection based on a probability sample of U.S. adults will begin in the third year. The current request is limited to the Pilot Test. A future request will contain details for the full Panel.

A key objective of the Panel will be to produce representative and reliable statistics on a rapid turnaround suitable for use by federal agencies. Ultimately, the Panel seeks to make it possible to release data that meets standards of the Federal Statistical Agencies and the Office of Management and Budget (OMB). At the same time, the Panel will ensure availability of frequent data collection for nationally representative estimates on a variety of topics and a variety of subgroups of the population.

The Panel is an interagency effort, with representatives from Census, the Department of Agriculture's Economic Research Service, the Bureau of Labor Statistics, the National Center for Health Statistics, the National Center for Science and Engineering Statistics, the National Center for Education Statistics, the Department of Defense, Department of Transportation, Department of Labor and the Social Security Administration guiding its design, content and methodological rigor, that will be used to meet data needs across the Federal Statistical System.

Data will be collected in two distinct phases. In Phase 1, a pilot, consisting of approximately ten percent of the final panel (1,700 people) will be recruited and surveyed as a proof-of-concept to refine methods. In Phase 2, the full panel will be recruited and surveyed using methodology refined during Phase 1. This 30-day notice seeks clearance for the Phase 1 Pilot. A future 30-day notice will outline specific plans for Phase 2.

Affected Public: Individuals or households.

Frequency: Twice a year.

Respondent's Obligation: Voluntary.

Legal Authority: The Pilot is being developed under a cooperative agreement awarded by the Census Bureau pursuant to the Consolidated Appropriations Act of 2021, Public Law 116–260, Section 110. Data collection from the Panel for Census Bureau sponsored surveys is authorized by Title 13, Sections, 131, 141, 161, 181, 182, 193, and 301. Data collection from the Panel for surveys sponsored by other agencies is authorized by 13 U.S.C. 8(b), where the Census Bureau is the collection agent, 44 U.S. Code 3509, where OMB can direct data collection, and the various U.S. Code titles that authorize those agencies to collect information, including but not limited to Title 49, Section 329 for Bureau of Transportation Statistics collections, and the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C. 9543) for National Center for Education Statistics surveys.

The confidentiality of information collected on topical surveys in this panel is assured by CIPSEA, Title 13 United States Code, or other applicable titles which authorize the collection of information.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering the title of the collection.

Sheleen Dumas,

Department PRA Clearance Officer, Office of the Chief Information Officer, Commerce Department.

BILLING CODE 3510–07–P

DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; National Survey of Children's Health

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on November 9, 2021 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: U.S. Census Bureau.

Title: National Survey of Children's Health.

OMB Control Number: 0607–0990.

Form Number(s): NSCH–S1 (English Screener), NSCH–T1 (English Topical for 0- to 5-year-old children), NSCH–T2 (English Topical for 6- to 11-year-old children), NSCH–T3 (English Topical for 12- to 17-year-old children), NSCH–S–S1 (Spanish Screener), NSCH–S–T1 (Spanish Topical for 0- to 5-year-old children), NSCH–S–T2 (Spanish Topical for 6- to 11-year-old children), and NSCH–S–T3 (Spanish Topical for 12- to 17-year-old children).

Type of Request: Regular submission, Request for a Revision of a Currently Approved Collection.

Number of Respondents: 71,380 for the screener only and 60,504 for the combined screener and topical, for a total of 131,884 respondents.

Average Hours per Response: 5 minutes per screener response and 35–36 minutes per topical response, which in total is approximately 40–41 minutes for households with eligible children.

Burden Hours: 46,587.

Needs and Uses: The National Survey of Children's Health (NSCH) enables the Maternal and Child Health Bureau (MCHB) of the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) along with supplemental sponsoring agencies, states, and other data users to produce national and state-based estimates on the health and well-

being of children, their families, and their communities as well as estimates of the prevalence and impact of children with special health care needs.

Data will be collected using one of two modes. The first mode is a web instrument (Centurion) survey that contains the screener and topical instruments. The web instrument first will take the respondent through the screener questions. If the household screens into the study, the respondent will be taken directly into one of the three age-based topical sets of questions. The second mode is a mailout/mailback of a self-administered paper-and-pencil interviewing (PAPI) screener instrument followed by a separate mailout/mailback of a PAPI age-based topical instrument.

The National Survey of Children's Health (NSCH) is a large-scale (sample size is up to 360,000 addresses) national survey with approximately 200,000 addresses included in the base production survey and approximately 160,000 addresses included as part of eleven separate age-based, state-based, or region-based oversamples. The 2022 NSCH will include a topical incentive test. Prior cycles of the survey have included a \$5 unconditional cash incentive with the initial mailing of the paper topical questionnaire. The incentive has proven to be a cost-effective intervention for increasing survey response and reducing nonresponse bias. The 2022 NSCH will continue to test a \$10 cash incentive, with a focus on lower responding households.

As in prior cycles of the NSCH, there remain two key, non-experimental design elements. The first additional non-experimental design element is a \$5 screener cash incentive mailed to 90% of sampled addresses; the remaining 10% (the control) will receive no incentive to monitor the effectiveness of the cash incentive. This incentive is designed to increase response and reduce nonresponse bias. The incentive amount was chosen based on the results of the 2021 NSCH as well as funding availability. The second additional non-experimental design element is a data collection procedure based on the block group-level paper-only response probability used to identify households (30% of the sample) that would be more likely to respond by paper and send them a paper questionnaire in the initial mailing.

Affected Public: Individuals or households.

Frequency: The 2022 collection is the seventh administration of the NSCH. It is an annual survey, with a new sample drawn for each administration.

Respondent's Obligation: Voluntary.
