AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the U.S. Fish and Wildlife Service (Service), are proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before April 4, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under Review—Open for Public Comments" or by using the search function. Please provide a copy of your comments to the Service Information Collection Clearance Officer, U.S. Fish and Wildlife Service, MS: PRB (JAO/3W), 5275 Leesburg Pike, Falls Church, VA 22041-3803 (mail); or by email to Info_Coll@fws.gov. Please reference "1018-0129" in the subject line of your comments.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act (PRA; 44 U.S.C. 3501 *et seq.*) and its implementing regulations at 5 CFR 1320, all information collections require approval under the PRA. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

On October 25, 2021, we published in the **Federal Register** (86 FR 58922) a notice of our intent to request that OMB approve this information collection. In

that notice, we solicited comments for 60 days, ending on December 27, 2021. We received the following comments in response to that notice:

Comment 1: Comment submitted via email from Jean Public, dated October 26, 2021: The commenter urged protection for all animals but did not address the information collection requirements.

Agency Response to Comment 1: No response required.

Comment 2: Comment submitted via <https://www.regulations.gov> from Aaliya (no last name provided), dated November 7, 2021: The commenter feels that the burden associated with the information collection is understandable, and that the information required is necessary and significantly relevant.

Agency Response to Comment 2: No response required.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your

personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The Captive Wildlife Safety Act (CWSA; Pub. L. 108–191, 16 U.S.C. 3371 note, and 16 U.S.C. 3372 note) amended the Lacey Act (16 U.S.C. 3371 *et seq.*; 18 U.S.C. 42–43) by making it illegal to import, export, buy, sell, transport, receive, or acquire, in interstate or foreign commerce, live lions, tigers, leopards, snow leopards, clouded leopards, cheetahs, jaguars, or cougars, or any hybrid combination of any of these species, unless certain exceptions are met. The CWSA was signed into law in 2003, and enforcement began on September 17, 2007. There are several exemptions to the prohibitions of the CWSA, including accredited wildlife sanctuaries. There is no requirement for wildlife sanctuaries to submit applications to qualify for the accredited wildlife sanctuary exemption. Wildlife sanctuaries themselves will determine if they qualify. As a matter of routine, we do not inspect or follow up on wildlife sanctuaries unless we have cause for concern. To qualify, they must meet all of the following criteria:

- Obtain approval by the U.S. Internal Revenue Service (IRS) as a corporation that is exempt from taxation under section 501(a) of the IRS Code of 1986 (Pub. L. 99–514), which is described in sections 501(c)(3) and 170(b)(1)(A)(vi) of that code.

- Do not engage in commercial trade in the prohibited wildlife species, including offspring, parts, and products.

- Do not propagate the prohibited wildlife species.

- Allow no direct contact between the public and the prohibited wildlife species.

The basis for this information collection is the recordkeeping requirement that we place on accredited wildlife sanctuaries. We require accredited wildlife sanctuaries to maintain complete and accurate records of any possession, transportation, acquisition, disposition, importation, or exportation of the prohibited wildlife species as defined in the CWSA (see title 50 of the Code of Federal Regulations (CFR) at part 14, subpart K). Records must be up to date and include: (1) Names and addresses of persons to or from whom any prohibited wildlife species has been acquired, imported, exported, purchased, sold, or otherwise transferred; and (2) dates of these

transactions. Accredited wildlife sanctuaries must:

- Maintain these records for 5 years.
- Make these records accessible to Service officials for inspection at reasonable hours.
- Copy these records for Service officials, if requested.

Title of Collection: Captive Wildlife Safety Act, 50 CFR 14.250–14.255.

OMB Control Number: 1018–0129.

Form Number: None.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Accredited wildlife sanctuaries.

Total Estimated Number of Annual Respondents: 750.

Total Estimated Number of Annual Responses: 750.

Estimated Completion Time per Response: 1 hour.

Total Estimated Number of Annual Burden Hours: 750.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: Ongoing.

Total Estimated Annual Nonhour Burden Cost: \$300.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Madonna Baucum,

Information Collection Clearance Officer, U.S. Fish and Wildlife Service.
