

Orphans and Vulnerable Children (PNOEV) was created. In December of that same year, it was officially decreed as an acting body of the MFFE; making the MFFE the only government institution that can do the following: (1) Reinforce collaboration between community-based organizations (CBOs) and health facilities; (2) Work closely with the Institute National de Formation Social (INFS) to improve financial, administrative, and management modules; (3) Work with the Ministry of National Education (MEN) to address gender-based violence (GBV) against adolescents and children; and (4) Maintain interventions in the social sector for control of the HIV epidemic clearly making this the sole and uniquely strong organization that can move this role forward, attain sustainability, and transfer back this role to the government.

Summary of the Award

Recipient: Ministry of Women, Families and Children (MFFE).

Purpose of the Award: The purpose of this award is to continue to build a sustainable national response to address the needs of OVC and their families and others highly affected by HIV/AIDS. This NOFO will support services to mitigate these effects in order to improve health and well-being outcomes of adults and children. In addition, the MFFE will work closely with the MEN to address adolescent girls' vulnerability by providing school-based HIV and prevention gender and education interventions.

Amount of Award: The approximate year 1 funding amount will be \$3,000,000 in Federal Fiscal Year (FFY) 2022 funds, subject to the availability of funds. Funding award amounts for years 2–5 will be set at continuation.

Authority: This program is authorized under Public Law 108–25 (the United States Leadership Against HIV AIDS, Tuberculosis and Malaria Act of 2003).

Period of Performance: September 30, 2022 through September 29, 2027.

Dated: March 2, 2022.

Terrance Perry,

Chief Grants Management Officer, Centers for Disease Control and Prevention.

BILLING CODE 4163–18–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Award of a Single-Source Cooperative Agreement To Fund *Servicos Provinciais de Saude de Zambezia (SPS Zambezia), Mozambique*

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS), announces the award of approximately \$2,000,000 for Year 1 of funding to the *Servicos Provinciais de Saude de Zambezia (SPS Zambezia)*, Mozambique. The award will strengthen the institutional capacity of SPS Zambezia to plan, coordinate, and supervise HIV-related activities to contribute to accelerated progress towards the 95–95–95 goals (95% of HIV-positive individuals knowing their status, 95% of those receiving ART [Antiretroviral therapy], and 95% of those achieving viral suppression) and ensure sustainable control of the epidemic in Mozambique. Funding amounts for years 2–5 will be set at continuation.

DATES: The period for this award will be September 30, 2022 through September 29, 2027.

FOR FURTHER INFORMATION CONTACT: Meghan Duffy, Center for Global Health, Centers for Disease Control and Prevention, U.S. Embassy Maputo, Avenida Marginal nr 5467, Sommerschild, Distrito Municipal de KaMpfumo Caixa Postal 783 CEP 0101–11 Maputo, Moçambique, Telephone: 800–232–6348, Email: wwp2@cdc.gov.

SUPPLEMENTARY INFORMATION: The single-source award will focus on building institutional capacity of the SPS in Zambezia for program development and planning and strengthening program implementation and oversight of activities related to HIV prevention, care, support, and treatment services funded by PEPFAR in Mozambique.

SPS Zambezia is in a unique position to conduct this work, as it leads all health services within the province of Zambezia. In Mozambique, the governmental public health infrastructure is organized into the central or national entity of the Mozambique Ministry of Health/Ministério da Saúde (MOH/MISAU), the

Provincial Health Directorates (DPSS) that implement activities at the primary healthcare level, and the Provincial Health Service (SPS) that lead all health services within the province of Zambezia. The SPSs in Mozambique are government organizations established by law and mandated to plan, coordinate, and supervise all health-related activities at the tertiary and secondary level, including HIV/AIDS activities, within their provincial jurisdiction.

Summary of the Award

Recipient: SPS Zambezia, Mozambique.

Purpose of the Award: The purpose of this award is to strengthen the institutional capacity of SPS Zambezia to plan, coordinate, and supervise HIV-related activities to contribute to accelerated progress towards the 95–95–95 goals and ensure sustainable control of the epidemic in Mozambique.

Amount of Award: The approximate year 1 funding amount will be \$2,000,000 in Federal Fiscal Year (FFY) 2022 funds, subject to the availability of funds. Funding amounts for years 2–5 will be set at continuation.

Authority: This program is authorized under Public Law 108–25 (the United States Leadership Against HIV AIDS, Tuberculosis and Malaria Act of 2003).

Period of Performance: September 30, 2022 through September 29, 2027.

Dated: March 2, 2022.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Award of a Single-Source Cooperative Agreement To Fund *Institut Pasteur de Cote d'Ivoire (IPCI)*

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS), announces the award of approximately \$1,000,000, for Year 1 of funding to the IPCI to sustain decentralization of HIV-associated microbiology at regional hospitals and to expand interventions to additional

regional hospitals. The award will improve support to and the coordination of the TB and OIs laboratory network for quality assured diagnosis of TB/DR-TB, including smear microscopy (LED), Lipoarabinomannan Assay (LF-LAM) for the diagnosis and screening of active tuberculosis in people with HIV, solid and liquid culture, and molecular WHO-recommended diagnostic tests (LIPA, Xpert Ultra). Funding amounts for years 2–5 will be set at continuation.

DATES: The period for this award will be September 30, 2022 through September 29, 2027.

FOR FURTHER INFORMATION CONTACT:

Titania Techeira, Center for Global Health, Centers for Disease Control and Prevention, CDC Côte d'Ivoire, U.S. Embassy B.P. 730 Abidjan Cidex 03, Telephone: 800–232–6348, Email: iux2@cdc.gov.

SUPPLEMENTARY INFORMATION: The single-source award will strengthen IPCI as the National Reference Laboratory for TB and microbiology tests. This will enable IPCI to better and further sustain the efforts in 27 Anti-Tuberculosis Centers (CATs) and in 16 regional reference laboratories previously supported for decentralized microbiology diagnosis.

IPCI is in a unique position to conduct this work as it is the designated laboratory institution in charge of integrated Disease Surveillance and Response (IDSR) in Cote d'Ivoire by the Ministry of Health (MOH) and Ministry of Scientific Research. IPCI is responsible for the implementation, monitoring, and evaluation of population-based TB, malaria and epidemic disease surveillance, including HIV opportunistic infections, as well as prevention and care policies and interventions.

Summary of the Award

Recipient: IPCI.

Purpose of the Award: The purpose of this award is to sustain decentralization of HIV-associated microbiology at regional hospitals and to expand interventions to additional regional hospitals. It will improve support to and the coordination of the TB and OIs laboratory network for quality assured diagnosis of TB/DR-TB, including smear microscopy (LED), Lipoarabinomannan Assay (LF-LAM) for the diagnosis and screening of active tuberculosis in people with HIV, solid and liquid culture, and molecular WHO-recommended diagnostic tests (LIPA, Xpert Ultra).

Amount of Award: The approximate year 1 funding amount will be

\$1,000,000 in Federal Fiscal Year (FFY) 2022 funds, subject to the availability of funds. Funding amounts for years 2–5 will be set at continuation.

Authority: Public Law 108–25 (the United States Leadership Against HIV/AIDS, Tuberculosis and Malaria Act of 2003).

Period of Performance: September 30, 2022 through September 29, 2027.

Dated: March 2, 2022.

BILLING CODE 4163–18–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Award of a Single-Source Cooperative Agreement To Fund Machakos County Government, Makueni County Government, Kitui County Government (Represented by Nairobi Metropolitan Services), Kenya

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS) announces the award of approximately \$1,400,000 for Year 1 of, and an average 1 year award amount of \$350,000, funding to the Machakos County Government, Makueni County Government, Kitui County Government, and Nairobi County Government (represented by Nairobi Metropolitan Services). The awards will advance current efforts to attain ownership, leadership, and implementation capacity for HIV services by the Nairobi, Machakos, Makueni and Kitui County governments, and to achieve and sustain HIV epidemic control through sustainable high-quality comprehensive HIV prevention and treatment services. Funding amounts for years 2–5 will be set at continuation.

DATES: The period for this award will be September 30, 2022 through September 29, 2027.

FOR FURTHER INFORMATION CONTACT: Dr. Lucy Nganga, Center for Global Health, Centers for Disease Control and Prevention, KEMRI Campus, Mbagathi Road—off Mbagathi Way, P.O. Box 606, Village Market, 00621, Nairobi, Kenya.

Telephone: 800–232–6348, Email: hon5@cdc.gov.

SUPPLEMENTARY INFORMATION: The single-source awards will support Nairobi, Machakos, Makueni and Kitui County Governments to achieve two goals: (1) Implementation and expansion of comprehensive HIV services with the goal of achieving and maintaining epidemic control, and (2) Strengthening the capacity of Nairobi, Machakos, Makueni and Kitui county governments' Department of Health Services to progressively manage, sustain and transition to ownership of HIV service delivery.

The 2010 Kenyan constitution (Chapter 11, article 174–176;189) <https://www.klrc.go.ke/index.php/constitution-of-kenya>; the Fourth Schedule, Part 2 <https://www.klrc.go.ke/index.php/constitution-of-kenya/167-schedules-schedules/fourth-schedule-distribution-of-functions-between-national-and-the-county-governments> and the Kenya Health Act (Act No. 21 2017) <http://kenyalaw.org/8181/exist/kenyalex/actview.xql?actid=No.%2021%20of%202017> prescribed roles for the new county government, whereby each county is responsible for provision of health care services to its residents. Nairobi, Machakos, Makueni and Kitui County Governments' Departments of Health Services have the sole mandate to manage and implement Nairobi, Machakos, Makueni and Kitui Counties' public health response to HIV and implementing partners must work through these entities. CDC's support to Nairobi, Machakos, Makueni and Kitui County will directly increase the capacity of Department of Health Services to support long-term sustainable HIV service delivery response in Kenya.

Summary of the Award

Recipient: Machakos County Government, Makueni County Government, Kitui County Government, and Nairobi County Government (represented by Nairobi Metropolitan Services).

Purpose of the Award: The purpose of this award is to advance current efforts to attain ownership, leadership, and implementation capacity for HIV services by the Nairobi, Machakos, Makueni and Kitui County governments, and to achieve and sustain HIV epidemic control through sustainable high-quality comprehensive HIV prevention and treatment services. This will be achieved through health system strengthening and increased coverage of high quality, client-centered comprehensive HIV prevention and treatment services, resulting in a
