DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

[Docket No. FAA-2022-0037]

Agency Information Collection

Activity: Request for Comments: Bipartisan Infrastructure Law Airport Terminal and Tower Project Information

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of request for public comment.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA) of 1995, FAA invites public comments on a new information collection form. This collection involves soliciting project information for the Bipartisan Infrastructure Law (BIL) Airport Terminal and Tower Programs. FAA is collecting this information to determine projects to be awarded BIL competitive discretionary grants. The Office of Management and Budget (OMB) has granted a 180-day emergency approval for this collection. FAA plans to follow this emergency approval with a submission for a 3-year approval through OMB's normal PRA clearance process and will incorporate any comments received as a result of this Notice.

DATES: Written comments should be submitted by April 7, 2022.

ADDRESSES: Written comments and recommendations for this information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information

collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Robin K. Hunt, Manager, BIL Implementation Team by email at 9-ARP-BILAirports@faa.gov or phone at (202) 267-3831.

SUPPLEMENTARY INFORMATION:

Public Comment Invited: You are asked to comment on any aspect of this information collection, including (a) whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information.

OMB Control Number: 2120-0806.

Title: Bipartisan Infrastructure Law Airport Terminal and Tower Project Information.

Form Numbers: FAA Form 5100-144.

Type of Review: Emergency approval of an information collection.

Background: The FAA is developing this collection to solicit the information necessary to evaluate and select airport terminal and tower projects for funding under the Bipartisan Infrastructure Law (BIL), signed on November 15, 2021. The BIL provides about \$1,020,000,000 annually, for five years, to award competitive discretionary grants for airport terminal and tower

development. Of this amount, about \$1,000,000,000 annually, for five years, is for the Airport Terminal Program, and \$20,000,000 annually, for five years, is for an Airport Tower Program (referred to collectively as "Airport Terminal and Towers Programs"). Congress, through the BIL, instructed the FAA to fund these projects expeditiously in order to address the nation's aging airport infrastructure. The information collected is based on grant considerations and priorities outlined in the BIL. Project consideration areas include increasing terminal capacity and passenger access, replacing aging infrastructure, achieving compliance with the Americans with Disabilities Act (42 U.S.C. 12101, *et seq.*) and expanding accessibility for persons with disabilities, improving airport access for historically disadvantaged populations, improving energy efficiency, including upgrading environmental systems, upgrading plant facilities, and achieving Leadership in Energy and Environmental Design (LEED) accreditation standards, improving airfield safety through terminal

relocation, encouraging actual and potential competition, and creating good paying jobs. The information FAA is collecting will include general airport information, a project overview, and narratives on project consideration areas as outlined in the BIL. Airport owners and managers who want to pursue funding and obtain benefits from the BIL Airport Terminal and Tower Programs will submit information via FAA Form 5100-144 to compete for grants. Approximately 3,075 airports are eligible to compete for this funding, but FAA expects only a small subset of eligible airports to submit project information through this competitive discretionary grant process.

Use: The FAA will use submitted information to evaluate and select projects for funding that most closely align with grant considerations and priorities provided in the BIL. These include the areas noted above.

Respondents: An estimated 510 airports are expected to apply for these competitive grants.

Frequency: Information will be collected once within 180 days of OMB approval.

Estimated Total Annual Burden: 6 hours per respondent.

Issued in Washington, DC.

Robin K. Hunt,

Manager, BIL Implementation Team.

Type of Review: Extension, without revision, of a currently approved collection.

Description: This information collection is required under section 305 of the Gramm-Leach-Bliley Act (GLB Act), 12 U.S.C. 1831x. Section 305 of the GLB Act requires the OCC, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation (collectively, the Agencies) to prescribe joint consumer protection regulations that apply to retail sales practices, solicitations, advertising, and offers of any insurance product by a depository institution or by other persons performing these activities at an office of the institution or on behalf of the institution (other covered persons). Section 305 also requires those performing such activities to disclose certain information to consumers (e.g., that insurance products and annuities are not FDIC-insured).

This information collection requires national banks, Federal savings

Under 12 CFR 14.40, a national bank, Federal savings association, or other covered person must prepare and provide orally and in writing: (1) Certain insurance disclosures to consumers before the completion of the initial sale of an insurance product or annuity to a consumer and (2) certain credit disclosures at the time of application for the extension of credit (if insurance products or annuities are sold, solicited, advertised, or offered in connection with an extension of credit). The insurance disclosures are required in advertisements and promotional material for insurance products or annuities unless the advertisements and promotional materials are of a general nature describing or listing the services or products offered by the national bank or Federal savings association.

Consumers use the disclosures to understand the risks associated with insurance products and annuities and to understand that they are not required to purchase, and may refrain from purchasing, certain insurance products or annuities in order to qualify for an extension of credit.

Title: Request for COVID-19 Vaccine Status and Proof of Vaccination."

OMB Control No.: 1557-0355.

Abstract: The President, by Executive order 13991 (January 20, 2021) established the Safer Federal Workforce Task Force (Task Force). The Task Force was established to give the heads of Federal agencies ongoing guidance to keep their employees safe and their agencies operating during the COVID-19 pandemic. The Task Force issued guidance, in accordance with the President's Executive Order 14043 (September 9, 2021), requiring Federal employees to be vaccinated against COVID-19 by November 22, 2021 absent a legally required exception. The Task Force issued guidance regarding individuals who start their government service after November 22, 2021, stating that those individuals should be fully vaccinated prior to their start date, except in limited circumstances where an accommodation is legally required. The guidance also provided that agencies should require documentation to prove vaccination status of those individuals prior to the enter on-duty date. To determine whether individuals who have been offered a position with the Office of the Comptroller of the Currency (OCC) are fully vaccinated during the onboarding process and before their enter on-duty date, in compliance with the Task Force guidance, the OCC developed the Appian vaccine attestation form in an online application (Attestation Form). The Attestation Form was developed, consistent with guidance issued by the Task Force and the U.S. Department of Treasury, to gather information from current and prospective employees regarding their vaccination status and proof of vaccination.

To ensure compliance with an applicable preliminary nationwide injunction, which may be supplemented, modified, or vacated, depending on the course of ongoing litigation, Office of the Comptroller of the Currency will take no action to implement or enforce the COVID-19 vaccination requirement pursuant to Executive Order 14043 on Requiring Coronavirus Disease 2019 Vaccination for Federal Employees while the injunction is in effect.

Type of Review: Extension, without change, of a currently approved collection.

Affected Public: Individuals.

Estimated Number of Respondents: 250.
