Meeting Access: Thursday, April 14, 2022, <https://videocast.nih.gov/watch=44690>

Agenda: To discuss business, updates, and issues related to ASD research and services activities.

Cost: The meeting is free and open to the public.

Registration: A registration web link will be posted on the IACC website (www.iacc.hhs.gov) prior to the meeting. Pre-registration is recommended.

Deadlines: Written/Virtual Public Comment Due *Date:* Friday, April 1, 2022, by 5:00 p.m. ET, Public Comment Guidelines, For public comment instructions, see below.

Contact Person: Ms. Rebecca Martin, Office of Autism Research Coordination, National Institute of Mental Health, NIH, 6001 Executive Boulevard, Bethesda, MD 20892–9669, Phone: 301–435–0886, email: IACCPublicInquiries@mail.nih.gov.

Public Comments

The IACC welcomes public comments from members of the autism community and asks the community to review and adhere to its Public Comment Guidelines. In the *2016–2017 IACC Strategic Plan*, the IACC listed the “Spirit of Collaboration” as one of its core values, stating that, “We will treat others with respect, listen with open minds to the diverse views of people on the autism spectrum and their families, thoughtfully consider community input, and foster discussions where participants can comfortably offer opposing opinions.” In keeping with this core value, the IACC and the NIMH Office of Autism Research Coordination (OARC) ask that members of the public who provide public comments or participate in meetings of the IACC also seek to treat others with respect and consideration in their communications and actions, even when discussing

issues of genuine concern or disagreement.

As the IACC will be updating its Strategic Plan, comments related to issues that the community would like to see highlighted in the new IACC Strategic Plan are welcome. Comments may be submitted in writing via email to IACCPublicInquiries@mail.nih.gov or using the web form at: <https://iacc.hhs.gov/meetings/public-comments/submit/index.jsp> by 5:00 p.m. ET on Friday, April 1, 2022. A limited number of slots are available for individuals to provide a 2–3-minute summary or excerpt of their written comment to the Committee live during the virtual meeting using the virtual platform. For those interested in that opportunity, please indicate “Interested in providing virtual comment” in your written submission, along with your name, address, email, phone number, and professional/organizational affiliation so that OARC staff can contact you if a slot is available for you to provide a summary or excerpt of your comment via the virtual platform during the meeting. For any given meeting, priority for live virtual comment slots will be given to those who have not previously provided live virtual comments in the current calendar year. This will help ensure that as many individuals as possible have an opportunity to share comments. Commenters going over their allotted 3-minute slot may be asked to conclude immediately in order to allow other comments and the rest of the meeting to proceed on schedule.

Public comments received by 5:00 p.m. ET on Friday, April 1, 2022, will be provided to the Committee prior to the meeting for their consideration. Any written comments received after 5:00 p.m. ET, April 1, 2022, may be provided to the Committee either before or after

the meeting, depending on the volume of comments received and the time required to process them in accordance with privacy regulations and other applicable Federal policies. The Committee is not able to individually respond to comments. All public comments become part of the public record. Attachments of copyrighted publications are not permitted, but web links or citations for any copyrighted works cited may be provided. For public comment guidelines, see: <https://iacc.hhs.gov/meetings/public-comments/guidelines/>.

Technical Issues

If you experience any technical problems with the webcast please email IACCPublicInquiries@mail.nih.gov.

Meeting schedule subject to change.

Disability Accommodations

All IACC Full Committee Meetings provide Closed Captioning through the NIH videocast website. Individuals whose full participation in the meeting will require special accommodations (e.g., sign language or interpreting services, etc.) must submit a request to the Contact Person listed on the notice at least seven (7) business days prior to the meeting. Such requests should include a detailed description of the accommodation needed and a way for the IACC to contact the requester if more information is needed to fill the request. Special requests should be made at least seven (7) business days prior to the meeting; last-minute requests may be made but may not be possible to accommodate.
