The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. OMB Control Number: 0694–0138.

Form Number(s): None.

Type of Request: Regular submission, extension of a current information collection.

Number of Respondents: 28,061.

Average Hours Per Response: 4 hours.

Needs and Uses: On March 8, 2018, the President issued Proclamations 9704 and 9705 concurring with the findings of the two reports and determining that adjusting imports through the

The Proclamations also authorized the Secretary of Commerce, in consultation with the Secretary of Defense, the Secretary of the Treasury, the Secretary of State, the United States Trade Representative, the Assistant to the President for Economic Policy, the Assistant to the President for National Security Affairs, and other senior executive branch officials as appropriate, to grant exclusions from the duties for domestic parties affected by the duties. This could take place if the Secretary determines the steel or aluminum for which the exclusion is requested is not produced in the United States in a sufficient and reasonably available amount or of a satisfactory quality or should be excluded based upon specific national security considerations. The President directed the Secretary to promulgate regulations as may be necessary to implement an exclusion process. The purpose of this information collection is to allow for submission of exclusions requests from the remedies instituted in presidential proclamations adjusting imports of steel into the United States and adjusting imports of aluminum into the United States.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of these sunset reviews, the Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) orders would be likely to lead to continuation or recurrence of dumping at the dumping margins identified in the "Final Results of Reviews" section of this notice.

DATES: Applicable March 16, 2022.

FOR FURTHER INFORMATION CONTACT: Christopher Hargett, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, Washington, DC, 20230; telephone: (202) 482–4161.

SUPPLEMENTARY INFORMATION:

Background

On December 16, 2021, D&L Foundry, Inc.; EJ USA, Inc.; Neenah Foundry Company; and U.S. Foundry & Manufacturing Corporation (collectively, "domestic interested parties") notified Commerce of their intent to participate within the 15-day period specified in 19 CFR 351.218(d)(1). The domestic interested parties claimed interested party status under section 771(9)(C) of the Act as producers of a domestic like product in the United States.
