SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public’s reporting burden. It also helps the public understand the Department’s information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Evaluation of the Implementation of the Statewide Family Engagement Centers.

OMB Control Number: 1850–NEW.

Type of Review: A new information collection.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 65.

Total Estimated Number of Annual Burden Hours: 72.

Abstract: Despite the important role family engagement may play in children’s educational progress, families

below the poverty line are significantly less likely than those at or above the poverty line to be involved in their child’s schooling. The Statewide Family Engagement Centers (SFEC) is one of the key U.S. Department of Education programs designed to close this gap. Funded for the first time in 2018, SFEC builds on an earlier program and provides grants to partnerships of education organizations and their states. The partners are expected to both deliver services directly to families to increase their engagement and to provide technical assistance and training to state, district, and school staff to help them help families. This study will describe the work of the first 12 grantees, focusing on the extent to which certain program priorities are being implemented. The results are intended to help federal policy makers refine the goals and objectives of the SFEC program, as well as inform the work of education organizations and state and local education agencies beyond the current grantees to improve their work with families.

Dated: March 11, 2022.

Juliana Pearson,

PRA Coordinator, Strategic Collections and Clearance, Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.

ELECTION ASSISTANCE COMMISSION

EAC Federal Financial Report; Survey and Submission to OMB of Proposed Collection of Information

AGENCY: Election Assistance Commission (EAC).

ACTION: Notice; request for comment.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the U.S. Election Assistance Commission (EAC) gives notice that it is requesting from the Office of Management and Budget (OMB) approval for the information collection EAC Federal Financial Report (EAC–FFR).

DATES: Comments should be submitted by 5 p.m. EST on Friday, April 15, 2022.

ADDRESSES: To view the proposed EAC–FFR format and instrument, see: <https://www.eac.gov/payments-and-grants/reporting>. For information on the EAC–FFR, contact Kinza Ghaznavi, Office of Grants, Election Assistance Commission, Grants@eac.gov. All

requests and submissions should be identified by the title of the information collection.

Written comments and recommendations for the proposed information collection should be sent to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Title and OMB Number: EAC Federal Financial Report; 87 FR 780 (Page 780–781, Document Number 2021–27861)

Purpose

This proposed information collection was previously published in the **Federal Register** on January 6, 2022 and allowed 60 days for public comment. In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act (PRA) of 1995, EAC has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. The purpose of this notice is to allow an additional 30 days for public comment

from all interested individuals and organizations.

The EAC Office of Grants Management (EAC/OGM) is responsible for distributing, monitoring, and providing technical assistance to states and grantees on the use of federal funds. EAC/OGM also reports on how the funds are spent to Congress, negotiates indirect cost rates with grantees, and resolves audit findings on the use of HAVA funds.

The EAC–FFR is employed for all financial reports for grants issued under HAVA authority. This revised format builds upon that report for the various grant awards given by EAC. A “For Comment” version of the draft format for use in submission of the FFR is posted on the EAC website at: <https://www.eac.gov/payments-and-grants/reporting>. The FFR will directly benefit award recipients by making it easier for them to administer federal grant and cooperative agreement programs through standardization of the types of information required in financial reporting—thereby reducing their administrative effort and costs.

Public Comments

We are soliciting public comments to permit the EAC to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Office of Grants Management.
- Evaluate the accuracy of our estimate of burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

OMB approval is requested for 3 years.

Respondents: All EAC grantees.
